SOUTHEASTERN

Can Do!

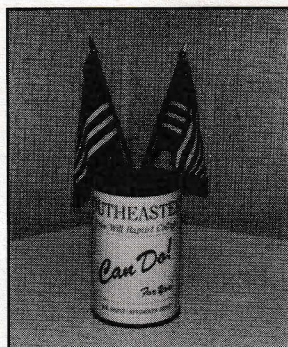

Billy Bevan
President

Southeastern is committed to serving others. No where is this more evident than within our own student body. Our motto is, "We Serve Students Best" and we've tried hard to live up to that.

Southeastern is not a big school but we serve a big God and Southeastern is God's school and we are His servants.

Building on the strength of this foundation we have determined that there is nothing within God's will that we can't do. We emphatically declare that Southeastern **Can Do!**

- Before God we can lead holy lives and provide a spiritual climate in which we can train young men and women to know and serve God. Southeastern, with God's help, **Can Do!**

- We can offer our students one of the most dedicated faculty and staff and provide a challenging academic program that is second to none. Southeastern, with God's help, **Can Do!**

- We can place a strong emphasis on preparing students for Christian service in the church, the Christian school, the mission field or the market place. We can keep the chapel platform "hot" and support the local church. Southeastern, with God's help, **Can Do!**

- And, we can enjoy doing what we do! Southeastern is family and we enjoy each other. Where else can a student be President for a Day or another student have

the dining hall named in her honor for a day? Where else can the students and faculty pack "Can Do" cans with T-shirts, some special treats and a college application? Have fun at Southeastern? We **Can Do!**

This year Southeastern has packaged its application for admission in a 6" can. We also asked our students and faculty to fill the cans with some "prizes" that would encourage students to find out more about Southeastern.

Every student who makes application will receive a free "Can Do" T-shirt.

The "Can Do" program has enjoyed great success. Some pastors and graduates have even asked for a "Can Do" can that they can keep as a souvenir. Of course, our answer is "Can Do!"

We'll Mail a "Can Do" Can For You

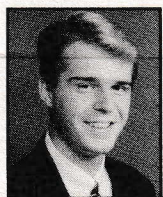

Do you know a graduating senior who you'd like to see consider attending Southeastern? We'll send a "Can Do" can to them, or if you like, we'll send it to you and you deliver it. Call (919) 365-7711 and we'll do the rest. Southeastern **Can Do For You**, too!

We would like your recommendation of prospective students. Each new student provides us with the opportunity to prepare another servant for the "fields that are white unto harvest." "Can Do" is a program that has as its goal spiritual success and the Masters "Well done!"

Students Agree SOUTHEASTERN *CAN DO!*

This year Southeastern has enjoyed an increase in enrollment of 24%. We asked our Freshman students to tell you what Southeastern *Can Do*.

As August of 1990 quickly approached, the thought of leaving home for the first time struck fear in my heart. Southeastern had always seemed like a dream, but it had quickly become a reality. Upon arrival, I was quickly accepted, and in just a short time I felt right at home. College has been a new and exciting experience that I am sure to never forget. I have many close friends and because of Southeastern, I have grown closer to the Lord. Through good academics and great spiritual guidance, Southeastern has become a special place in my life.

Keith Melton, Black Mountain, NC

I came to Southeastern not knowing what to expect. I knew the Lord wanted me here, but I was still a little hesitant. Little did I know that my freshman year of college would be the best year of my life. As a freshman, I am still learning more and more about this great school.

Melissa Jones, Reynolds, Illinois

As a freshman, Southeastern has made a tremendous impression on me. From the faculty to the students, there is love, concern and a oneness that can only be found on this campus. The faculty not only teaches us about academics, but through their lives they teach us the joys of a Christian life. This wonderful experience at college has taught me responsibility and importance of spiritual growth. By the time I become a graduate, my prayer is that the things I have learned here will go with me and be a part of me for the rest of my life. What Southeastern did for me, it can do for you!

Our Apologies!

Miss Sonya Cheney, Fayette, Alabama, should have been listed on the "B Honor Roll" for the fall semester.

LET'S RUN FOR FUN

On April 16th, Southeastern will be sponsoring our first annual **RUN FOR FUN**. Many of you are no doubt receiving flyers in the mail now asking for your help in sponsoring one of our students or faculty as they run around a one-eighth mile track for thirty minutes.

This is one of two fund raisers the school is sponsoring this spring - the other being a barbecue dinner. These are designed to help the student activity fund (the dinner) as well as to finance a faculty retreat (the Run For Fun). The students are also receiving some great prizes including a big 10% of all they raise by May 16th!

Please help us. When you see that bright green flyer come in the mail, prayerfully consider how much you can give and send it back to us.

By the way, if you do not get any mailers, how about sponsoring Bro. Bevan. Yes! He is planning on running with us! Just drop us a line or call in your pledge.

GET ACQUAINTED DAYS APRIL 11-13

HEAR HE! HEAR HE!

April 11-13, on the campus of Southeastern Free Will Baptist College, a great host of prospective students will arrive for our largest spring Get Acquainted Days ever. Many exciting events are being planned.

Rev. Jeff Jones

Activities will begin at 7:30 p.m., Thursday night and will conclude Saturday morning with our famous buffet breakfast. Sandwiched between these two will be hours of fun-filled excitement. Students will also get a "taste" of college life--classes, food, fellowship and dorm life.

Jeff Jones, associate at Hilltop Free Will Baptist Church, will be our Friday chapel speaker. Jeff is a graduate of Southeastern and we are delighted to have him share with us and our prospective students. You will actually see a living example of Southeastern's training.

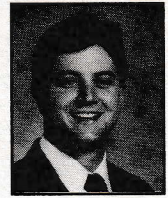

DON'T MISS IT! It could very well be a life-changing experience for you. It has for many in years past.

Come, let us share with you our heart. See first-hand how we "serve students best."

President Bevan Announces Graduation Speaker

The commencement speaker for this year's graduation exercises will be the Rev. Doug King, a 1986 graduate of Southeastern.

Rev. King will address the 1991 graduates on Thursday morning, May 16, at the First Free Will Baptist Church of Raleigh. The service will begin at 10:00 a.m.

Bro. King is presently the pastor of the Cramerton Free Will Baptist Church in Cramerton, North Carolina. He assumed the pastoral duties there in November, 1989. He is directing the church that both his grandfather and father have pastored. He is doing an outstanding job as pastor of the church. They are presently in a building program.

Doug is married to the former Paula Cooper of Memphis, Tennessee. They have two children, Rachel and Seth.

You are invited to attend the Southeastern 1991 graduation service.

Now Available CONDITIONAL SECURITY

by
A. B. Brown B.A., M.Div.

We have just printed the 170 page book explaining our view on the possibility of apostasy written by one of our own professors.

Bro. Brown has spent over ten years working on these notes and has used them extensively in his theology classes.

This work has been acclaimed by many throughout our denomination. Jim Summerson, pastor of Mt. Calvary Free Will Baptist Church of Hookerton, N.C. says "This is by far the best work on apostasy that is in print."

The cost for these notes is \$12.00. Many have already signed up to receive a copy. They will be available at our evangelism conference.

If you would like a copy mailed to you, please send \$15.00 to cover the cost plus shipping and handling and we will ship it right out to you.

LOAN FUND INCREASES

Last fall we introduced the idea of a student loan fund. We are happy to report that this loan fund has increased to a total of more than \$8000.00. The fund has actually developed into three different funds.

A Checkbook for a Lifetime

This first fund is designed in such a way that an individual can give a one time gift and the interest gained on that gift will go into the general fund. So, for example, a gift of \$1500 would earn the equivalent of around \$10 or so from now until Jesus comes. So far \$1500 has been donated to this fund.

The Misha Bevan Memorial Fund

After the unfortunate passing of his daughter, our President, Bro. Bevan, set up this fund which would be used to make loans to our students. Approximately \$1500 has been sent for this fund.

A Memorial Student Scholarship/Loan Fund

Recently we had a generous gift from a dear friend of the college for our loan fund. However, he specifically wanted his gift to be placed in a fund which would be loaned to students and the interest earned from this fund would go into a special scholarship fund.

Please consider giving to one of these funds as an investment in young lives.

SCHOOL OF BUSINESS NEWS

Transfer of Credits: We are very pleased to announce that we are now in the final stages of making arrangements with a local university which has agreed to accept the credits from our two year business program. This will allow our students to pursue a bachelor degree in business.

Name Change: The business department of Southeastern is now called the *Southeastern School of Business* as per regional guidelines and regulations. We will continue to offer the same courses and programs as before - just the name has been altered.

Computer Lab Furnished: We recently were given six computer centers to go into our computer lab. Our lab now offers these stations plus the use of a laser printer.

One of our own: David Peterman is not only a student at Southeastern but also works for us as our bookkeeper. David will be continuing with us after he graduates this spring. He also plans to take advantage of the bachelor degree program mentioned above.
