PASTOR'S RETREAT A SUCCESS!

On January 3-4, Southeastern Free Will Baptist College conducted its first Pastor's Retreat. The retreat proved to be a huge success.

Sixty-five (65) pastors and associates gathered on our campus from Maine, Maryland, Arkansas, South Carolina and North Carolina.

Speakers, Dr. A. A. Baker, "Marketing the Church"; Dave Benoit, "Easy on The Ears, Hard on the Soul"; and Bobby Veneable, "My Personal Testimony", all did an outstanding job. As well as using the outside speakers, local Free Will Baptist pastors were used in sharing their best ideas for the ministry.

A special guest in attendance at the retreat was Dr. Mike Cox. Three years ago, he and his church began the Michigan School of Missions. They have an annual missions conference in which they teach pastors how to have a missions conference in their own church, among many other missions related topics. He has led his church from \$26,000 in faith promise giving three years ago, to over \$126,000 in faith promise giving to missions this year! His time of sharing with us was very informative for we pastors who long to have a more effective missions program in our local churches.

Comments from those in attendance range from great, fantastic, uplifting, informative, fresh, dynamic and helpful!

A "special thanks" to all the pastors and associates who attended. It was our pleasure to have you on campus.

We are planning another retreat for 1992! It will be around the same time. We will inform you later as to the exact time.

It will be designed again with the pastor and associate in mind to give you new and fresh ideas to help you in your present ministry.

1991 Graduates!!

Be on the lookout for your Southeastern application in a most unique and uncanny package!!

SPRING GET ACQUAINTED DAYS APRIL 11-13, 1991

Southeastern's spring session of Get Acquainted Days will be April 11-13. If you have young people in your church or know of young people who are prospective students for Christian college, please send us their names or, if possible, bring to these special days.

Get Acquainted Days are so important in helping young people decide which college they need to attend. Their future ministry in the work of God could be dependent upon a visit to our campus.

They will arrive Thursday, April 11 and leave Saturday morning after our breakfast buffet. If you need further information, please let us know.

Announcing Our New College Choir Tape

Sing My Soul

In response to an overwhelming demand, we are now in the midst of recording the second tape of our Southeastern Free Will Baptist College Choir entitled "Sing My Soul." Our first tape "In The Midst Of It All" was met so favorably among our people that it is fitting that we produce this one.

In a day when good Christian music is indeed hard to find, we believe that the music that Southeastern is producing and promoting is both uplifting and doctrinally solid. It has life and vibrancy without being carried away with a rock beat.

The tapes are scheduled to be ready for shipment in March and will sell for \$10 each. If you would like to order any quantity a special price of \$9 is available now, but only if you **pre-pay**. Please contact us.

MISCHA BEVAN WITH THE LORD!

On Saturday afternoon, January 5, 1991 around 1:15, Mischa Bevan's 15 month battle with a malignant brain tumor came to an end.

Mischa fought valiantly until the end. During the entire 15 month ordeal, Mischa was never heard to complain or blame God or others for her condition by any of her family and friends.

Mischa was enrolled as a freshman at Southeastern. She was eighteen years old.

Funeral services were conducted by Rev. Dann Patrick, Rev. Randy Cox, Rev. Jerry Huff and Rev. Jeff Jones. Over 700 people attended the service conducted at Hilltop Free Will Baptist Church.

A very special and heartfelt "thanks" to all of you who have kept us in your prayers during the past 15 months.

For every person who prayed, called, came by, sent flowers, gave a gift, sent a card and showed concern in anyway--**We Thank you!**

Our family will never forget the kindnesses you have shown to us. We owe you much, and shall be eternally grateful. This has been a very difficult time for our family, but truly, God's grace has been sufficient, and your thoughtfulness has made it more bearable. Again, thank you so very much.

A memorial loan fund has been established in memory of Mischa. Gifts can be made to the college for the fund by simply earmarking for the "Memorial Loan Fund." This money will be loaned to Southeastern students at a much lower rate of interest than can be received at local banks.

Continue to keep us in your prayers.

Bro. Billy, Gloria, Billy, Jr., Karla & "Mischa"

CHRISTMAS THANKS SENT

Just before the Christmas break, students at Southeastern took a day off from classes to send holiday greetings to supporters of the college. Hand written notes of appreciation were included in the cards as students said, "Thanks" for making Southeastern possible. Due to a slight mix-up with the labels some received more than one card...but double thanks never hurts. This effort is part of the emphasis given here to service to others. It is our desire to serve and say thanks for your support of this vital ministry in the cause of Christ.
