SOUTHEASTERN ANNOUNCES

SECOND ANNUAL MINISTER'S RETREAT

This is a reminder concerning our upcoming Minister's Retreat, January 2-3, 1992, to be held on the campus of Southeastern Free Will Baptist College. We trust a good number of pastors and associates will join us for these days of relaxation, inspiration, for life and fellowship.

We have a good line-up of speakers with subjects that will be of help to your people. They are as follows:

Rev. Lonnie Skiles, pastor of the Bethel FWB Church of Festus, Missouri, will conduct a seminar on the New Age Movement.

Rev. Randy Sawyer, one of our staff, will conduct a session on "A Biblical Philosophy of Church Music."

Rev. Blaine Hughes, associate pastor of the Peace FWB Church of Wilson, North Carolina, will present a seminar on "Counseling Information and Helps for the Pastor."

Bro. Don Clark, a layman in the Faith FWB Church of Goldsboro, North Carolina, will present a session on "Preparing Wills for You and Your People."

This meeting is canceled in lieu of a special called Cooperating Board Meeting, January, 9th at 1 p.m.

Your attendance is imperative!

Pastor Randy Sawyer, Church, Raleigh, will bring from the Heart of Hearts of Pastors."

We will have printed handouts for each session; also, book tables with discounted prices just for you! There will also be times of inspiration and fun. In fact, we plan to have a "joke telling contest" for the preachers. So, practice on your best joke and come prepared!

There is a great time of relaxation and fellowship planned. We would like to see 100 pastors and associates this year.

Leave your ties at home and come join us, January 2-3, 1992. We begin at 12:00 noon on Thursday, and ask you for a modest fee of \$25 for your night's lodging and four meals.

FLASH BACK OF THE MISSIONS RETREAT

Camp Jacob, in northwestern Virginia, hosted our second annual missions retreat. The mountains were beautiful and the atmosphere was most agreeable for us to enjoy a wonderful retreat.

Our students were blessed by the preaching and teaching of Dave Franks, Jr. He shared with our students the needs of the world.

Bill and Laura Jewell thrilled us with their stories from their year's stay in France.

Fred and Bev McCracken and their family blessed our hearts in morning manna by their singing and Fred's message. They also directed our fun times which everyone enjoyed.

All of us really enjoyed the retreat and are already planning for next year. At this retreat, God moved in our hearts bringing us to the realization of the great needs of the world and our responsibility to help meet those needs.

PACKED DORMS DURING GET ACQUAINTED DAYS

A near-record number of students attended our fall Get Acquainted Days, October 31-November 2. More than 90 students, plus sponsors, visited our campus for a time of fun and spiritual emphasis where the college program was highlighted. Visitors attended special classes, saw zany skits, went on a hay ride and heard testimonies and messages from students.

The number of Southeastern alumni who returned as sponsors this year was significant. Karl Sexton, VA; Scott & Tina Wright, AL; Randall Owens, VA; Kelly & Robin Burcham, VA; Dean Hayes, SC; Donnie & Susan Burke, NC; and Todd Haynes, NC came with young people in their ministries.

Even though we were crowded, everyone was very cooperative and had a good time. Testimonies have been that this was our best Get Acquainted Days yet!

Thanksgiving

Thanksgiving day is probably the most neglected holiday of the entire year. There is no "harvest bunny" or cartoon specials or Thanksgiving gifts to buy. There is no personality to idolize, nor anything to commercialize.

In fact, Thanksgiving lacks the magical aura of most holidays simply because of the nature of the holiday itself. Much more than just a regular holiday, Thanksgiving demands an attitude of the heart. Indeed, this is precisely why Thanksgiving ranks lowest among the holidays--because so few people have an "attitude of gratitude."

Granted, most can usually muster up enough of a thankful spirit to last them through the day itself but the mindset generally fades away along with the holiday. This ought not to be so. Thanksgiving deserves a place

of greater importance - not only as a holiday itself, but also as a prevailing characteristic quality in all of our lives. Thanksgiving should not be only a day or a season but a genuine aspect of our beings.

I Thessalonians 5:18 states, "In everything give thanks: For this is the will of God in Christ Jesus concerning you." This is a command to view every day and every situation with thankfulness. Yet how difficult

it seems to incorporate into daily life! Forgetful of God's tender mercies during days of plenty and disheartened with God's dealings in times of trials and sorrow, most are not thankful anytime, much less "in everything." But it does not have to be that way. Ten lepers were healed, and nine forgot to thank Jesus, but one remembered and gave thanks.

Amidst a world of ungrateful people, God's blessings do not have to be forgotten by all. It is possible to thank God today. One can be and should be characterized by an appreciative spirit. Every day can be Thanksgiving day. Will you be the thankful one?

A Gift for a Gift

The Promotional Department is really excited about its latest gift for Southeastern supporters. It is a new cassette tape entitled the *Gift of Music*, and is given to those who give a gift of at least \$10 per month or \$120 one time gift.

The tape includes six of the best songs from our previous tapes *In the Midst of it All*, *Sing My Soul*, and *The Old Time Way*.

In addition, four new songs have been added that include "The Judgment," the much requested number by the Men's Quartet, and a beautiful piano solo of the "Name of Jesus Medley" by Mrs. Terri Siebert. A new trio is also included that consists of Randall Sawyer, Danny Baer, and Susan Hiltibidal. Your heart will be stirred as you hear them perform "The More I Know About Jesus" and "The Lamb Has Prevailed."

You should have received by this time a demonstration tape in the mail with excerpts from the *Gift of Music*. Mail in your response today and the *Gift of Music* will be yours. This

tape is not for sale and is only available as our "Thank You" gift for those supporting Southeastern.

Also, don't forget that if you give at least \$20 per month, we will send you the tape by our men's quartet entitled "*The Old Time Way*." This has been our most popular tape so far. Even if you already have one of these tapes they make great gifts.

By the way, if you have not received the special "Gift For A Gift" promotional packet and tape, drop us a line and we'll send you one right away.

ENROLL NOW!

Now is the time to enroll for the spring semester at Southeastern Free Will Baptist College. We are looking for several new students to join our college family. It is important that we hear from you now if you plan to attend during the 1992 spring semester.

If you would like information regarding enrollment, call or write to us. Interterm classes begin January 8 and the regular semester classes begin January 20.

We hope you will choose to be a part of Southeastern this spring.
