DEAD OR ALIVE?

Revelation 3:1 records for us our Lord's stern indictment against the church at Sardis which was: "...Thou hast a name that thou livest, and art dead!" What a sad commentary for that church!

There have been some pretty sharp, strong, and scathing sermons preached from this passage about "dead churches" and rightly so. It's Bible. But, what would the Lord say about "our" churches today should He visit us and announce His findings? In all honesty, it may not be a lot different from some of His condemnations of the churches of Asia Minor.

Surely, one of the most disappointing and discouraging things to our Lord is a dead, lifeless, unproductive church. How that must break His heart.

There's no sense in it! Jesus died, rose again, and lives to make intercession for us. There is victory and power for the church today! Jesus made it possible.

I don't know about you, but I don't like dead, dry, dull churches! In fact, I don't know many folks who do. It's no wonder to me that we're not doing more as a denomination! People aren't going to attend dead, lifeless, unfriendly churches that do not have the touch and breath of God on them! (If it wasn't their job and source of income, I don't know if some pastors and their families would go!).

I read an article several months ago that talked about "A Church Suicide Kit." The article listed several things that will guarantee the death of a church:

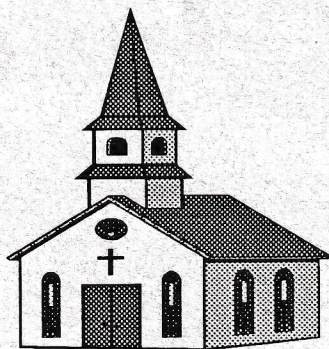

- a. Lose your vision
- b. Develop clannishness
- c. Stop following your leadership
- d. Always looking to and dwelling on the past
- e. Arguing among yourselves

May God help each of us to take a moment of personal inventory to make sure that there would be nothing in our attitudes and actions that would contribute to killing our own local church.

There's no greater privilege, after salvation, than to have the opportunity to be associated with a growing, going, glowing, vibrant, alive local church! The hour is too late, the need is too urgent, and the loss is too costly for us not to have the kind of church that pleases God. Your community deserves to have a Bible-believing, preaching, practicing church. Why can't the Free Will Baptist Church be that church in your community? I believe it can be.

Remember, the church is not a building--it's people! An alive church begins with you! What are you doing to make sure your church is --Dead or Alive?

Live churches are constantly changing.
Dead churches don't have to.
Live churches have lots of noisy kids.
Dead churches are fairly quiet.
Live church's expenses always exceed their income.
Dead churches take in more than they ever
dreamed of spending.
Live churches are constantly improving for the future.
Dead churches worship their past.
Live churches move out in faith.
Dead churches operate totally by human sight.
Live churches focus on people.
Dead churches focus on programs.
Live churches are filled with tithers.
Dead churches are filled with tippers.
Live churches dream great dreams of God.
Dead churches relive nightmares.
Live churches don't have "can't" in their dictionary.
Dead churches have nothing but.
Live churches evangelize.
Dead churches fossilize.

CONFERENCE REVIEW

"The Church Alive!" --more than a theme assigned to this year's Revival and Soul Winning conference--it is a description of the spirit present in every service during the three day meeting "under the big tent!"

The **SINGING** was "alive." It has been said that "music is medicine for the soul," but many pastors would also add that "singing is a reflection of the soul." If this be true, the congregational singing indicated indeed a corporate soul "alive" to the praise of Christ. In addition, Bro. John Gibbs, the college choir, ensemble, trio, quintet, and various soloists provided special music that blessed hearts during the meeting.

The **PREACHING** was "alive." Really alive! Powerful preaching that challenged, stirred, and encouraged was present every single service! From the very first sermon Monday morning at 9:30 to the final message Wednesday morning at 11:30, God's special anointing on each preacher was truly evident. A partial list of topics include:

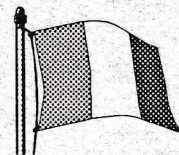

John Gibbs -- "Principles for Listening to the Voice of God"
Dale McCoy -- "The Compelling Reality of a Literal, Burning Hell"
Roger Duncan -- "Salvation, Service, Soulwinning"
Jack Lassiter -- "Somebody Needs to Say Something!"
Curtis Linton -- "Standing Upon the High Places"

If you were unable to attend the conference, do yourself a special favor and order a copy of the tapes from the college office. They will without question bless your heart!

Last, but not least, the **GIVING** was "alive." The offerings were good, but the "giving" spirit that spontaneously generated over \$30,000 in a matter of a few exciting minutes during Tuesday evening's service is powerful evidence. Praise the Lord!

Let me encourage you to "Come Alive" and to begin making plans to attend next year's conference!

WOW! SUMMER SCHOOL IN FRANCE

Dr. & Mrs. Joe Haas will be taking thirteen Southeastern students to Rennes, France, May 15, for a three week summer school session. The students will be staying in the homes of members of the Free Will Baptist Church in Rennes. They will be having classes in the morning and doing whatever they can to be a blessing to Rev. Gerard Tynevey and members of the Rennes Church. The students will return on June 6.

Students and faculty of Southeastern have purchased 20,000 tracts that will be given to lost souls while in France.

Please pray for traveling mercy, that everyone will stay well, that students will make a good adjustment with the families with whom they will be staying and that souls will be saved.

NEWSFLASH!!!

Have you heard that on Tuesday night of our spring conference we presented a special need of \$40,000 that would help Southeastern finish the year in the black and assist needy students with their accounts? Thanks to people with a tender heart and a love for Southeastern, we saw \$33,000 pledged by the end of May. We still need \$7,000 to reach our goal. If you or your church can assist us, please send your gifts as soon as possible. Mark "Promotional Department" on the outside of your envelope so we will know it is a special gift. We need YOUR help. We pray you will be a part of what God is doing.

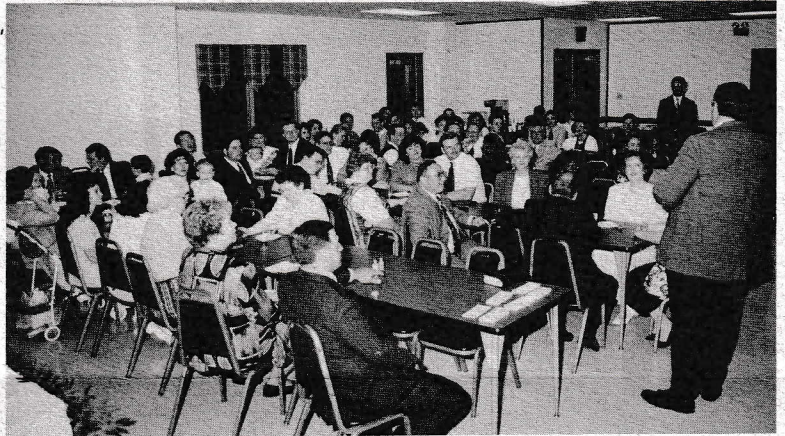

SPECIAL PRAYER REQUEST

Each year Southeastern receives several thousand dollars in matching funds from Burroughs Wellcome. In just a few days, this company will merge with Glaxo. As a result, there is a possibility that Southeastern would no longer receive these funds. Please join us in prayer regarding this matter.

SEVENTY ATTEND ALUMNI RECEPTION

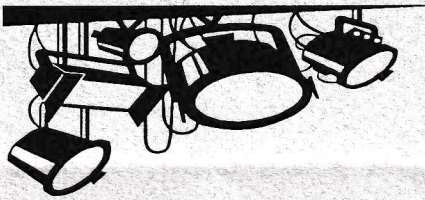

Following the Tuesday night service of the Revival and Soul Winning Conference, 70 Southeastern Alumni gathered in the Bob Berry Center for a reception. President Timothy Williams thanked each one for their attendance and support of the conference. Promotional Director, Jack Lassiter, challenged the group to become active in recruiting students for Southeastern and to consider financially supporting the college with a checkbook. Everyone then enjoyed a time of fellowship together renewing friendships and sharing memories.

Plans are already underway for an alumni meeting at next year's conference. If you are not a member of the Southeastern Alumni Association, please contact Sonya Williams at (919) 872-2215 for membership information.

100 CLUB - ARE YOU A MEMBER?

The 100 Club consists of individuals, churches, or businesses who pledge to give \$1,000 per year for 10 years to Southeastern. Bro. Jack Lassiter would like to come and talk with your church, business or special group. Call today for details. Take advantage of this great opportunity to help Southeastern make a difference.
