"WHEN WAS THE LAST TIME YOU THANKED GOD FOR WALMART AND FOOD LION?"

During our Missions Conference recently, I was browsing around at the various missions displays and came across a display for the Hemant Patel's in India. On the table was a copy of a hand-written letter to the ladies of Faith FWB Church from Becky Patel. It caught my attention, so I picked it up and began reading it. And boy, am I glad I did! It was a wonderful little note from someone whom I feel had really learned to appreciate all the things that God gives us and does for us. Let me share this little note with you:

Dear Faith Ladies:

We wanted to write and let you know we received the package you sent last December. Miracles never cease!! Ha! Thank you so much for all the "goodies"-a lot of which is unavailable here in any form. We all had a good time-it was like Christmas-only in May. The Christmas decorations were beautiful! The fun and Wordless Books will be so helpful for teaching S.S. and witnessing to children we meet from time to time. Every line of the "Goldsboro News Argus" got read. The Walmart & Food Lion bags I assume were for me! Ha! I hugged them and I smelled them and the memories all came flooding

back. Oh, the things we take for granted! (Emphasis mine on this paragraph).

Anyway, our hearts hurt at times because we cannot see our family at Faith, but our loving memories of times past brings joy again to our hearts. Please know, you are continually in our prayers of Thanksgiving. We love and miss you all!

Psalms 126:3

"The Lord has done great things;
whereof we are glad!"

Sort of makes a tear come to ones eye, doesn't it. You know what struck me about this letter? It was the "tone" of the letter. I believe it truly came from the heart of one who has learned to be thankful for all God has done and is doing for them.

The paragraph about the Walmart and Food Lion bags is so true! We do take a lot for granted! Those of us who have been privileged to be born and live in America do not realize how very much we have for which to be thankful.

May God help each of us to pause and be thankful for all His bountiful blessings to us.

Last spring my wife and I had the privilege to go on a ten day trip to Israel. It was the trip of a life time and one that I will never forget. There is so much to see that it's almost impossible to grasp everything. One of the things (and there were many) that I came away from that trip with was a greater appreciation and thankfulness for all God has done for me and my family. I saw people living in abject poverty! I kept saying to myself, "Billy, you've got a lot for which to be thankful." I am afraid we take far too many things for granted.

Let's stop and thank God for:

1. Sustenance--the daily necessities of life
2. Service--opportunity to be involved in the greatest work in the world
3. Strength--good health and physical strength
4. Satisfactions--the things we don't need that God gives us that
5. Salvation--"Thanks be unto God for His unspeakable gift."
6. Second Coming--better than the past and the present, is the future with our Lord!

Truly, we have much for which to be thankful. Are you guilty of taking the blessings of God for granted? When is the last time you thanked God for Walmart and Food Lion? It's not a bad idea, you know, to do so!

"In everything give thanks: for this is the will of God in Christ Jesus concerning you." (II Thes. 5:18).

MISSIONS CONFERENCE A SUCCESS

This year's missions conference proved to be one of the best that we have ever had. Our students and faculty all prayed and worked hard to make this meeting one that was filled with the power of God. All of our speakers, Rev. Carlie Lloyd, home missionary to Madison, WS; Rev. Bob Edmonson, home missionary to Asheboro, NC; Rev. Ron Moore, former missionary to Cote D'Ivoire, Africa; and Rev. Fred Warner from the foreign missions department did outstanding jobs in preaching. The Holy Spirit guided each of them in their sermon preparation and anointed them for each message. Mr. Mark Going brought to the missions conference music which spoke to our hearts.

Will you mark your calendar right now for next year's conference, **October 17-18?**
