Calling All Students

By the time you receive this paper, the summer will be more than half over. In fact, it will be only a few weeks until colleges will be opening their doors for the fall semester.

Southeastern will be in that number. If you have not yet made up your mind as to what you're going to do--why not let me help you decide--enroll at Southeastern Free Will Baptist College--you still have time!

We'll help you in anyway we can to make last minute arrangements to get you enrolled. Don't put it off, or wait until next semester. Come for this fall semester.

I'll guarantee that you will like Southeastern. It's a small college with a great faculty and student body. We offer a

good curriculum with high academics. If you're looking for a place to receive a quality Christian education in a family atmosphere, Southeastern is for you.

What is your specialty? Preaching, teaching, singing, business, missions, youth work, keyboard? We can help you and do an excellent job in any of the above areas.

Why not decide today to join us this semester at Southeastern. If I can be of help to you, just give me a call personally at (919) 365-7711 or (919) 552-2752 (home).

This year marks our tenth anniversary. It is going to be one of the best and most exciting years we've ever had. It would be a great year for you to enroll. I urge you to contact me today. I look forward to talking with you.

A SPECIAL THANKS

Special thanks are in order for several people who have been an intricate part of the Southeastern team. I would like to take a moment to mention them so you, too, can appreciate what they have meant to this ministry.

First, Mrs. Marie Owens will be leaving to join her husband in the pastorate in Bradley, West Virginia. Mrs. Owens was our librarian for the past four years and did an outstanding job. There was not a neater, more well-kept area on campus than the library!

Bill and Glenda Fulcher have assumed a pastorate in Carrollton, Virginia. Bill has served in various capacities over the past four years. We will miss Bill's humor and his pleasant personality. He was the kind of fellow you enjoyed being around. Glenda served as our Dean of Women and Dorm Supervisor. She did a tremendous job. You just knew she was looking after the young ladies, often going the second mile. Thank you, Mrs. Fulcher, for putting your all into your job.

This coming year won't seem right without having the Stox's on our staff. For nine years Dr. & Mrs. Lorenza Stox were an intricate part of this ministry. Dolly is joining her husband in the pastorate in Greenville, NC. No one has worked harder, put in more time, or given of themselves anymore than Mrs. Dolly Stox. Thank you for all you have done for Southeastern.

Mr. Robert Posner, one of our married students and graduates, served as Dorm Supervisor for the past three years and Dean of Men for one year. Mr. Posner has accepted a

pastorate in Tyler, Texas. He was well-suited for the job. Robert had a good spirit and even temperament which was needed working with young people. He will be sorely missed. Thank you for a job well done.

And finally, Mrs. Pearline Stepp will not return next year as our dietician because of health reasons. Since we have all met Mrs. Stepp, I think we are probably "bigger" Christians than we were before! She was a good lady, a hard worker and a wonderful cook. She also loved this ministry. Mrs. Stepp, thank you, and we'll surely miss you!

NEW PERSONNEL ADDED

Dr. Johnny Sexton, who is chairman of our Extension Studies Department, will be teaching in the area of Bible and serve as Dorm Supervisor for the men. He comes to us with several years of pastoral and Christian education experience.

Mrs. Peggy Sexton will be our Dietician replacing Mrs. Pearline Stepp. Mrs. Sexton worked for a year with Mrs. Stepp as her assistant. She is an experienced pastor's wife and mother of four.

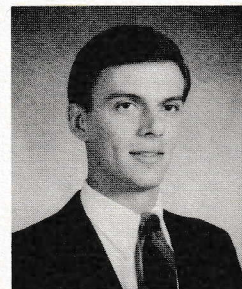

Miss Sonya Cheney has now worked for the college full time for one year but will assume additional duties as a Dorm Supervisor for our ladies in the fall.

Mrs. Barbara Brown will be serving as Dean of Women. Mrs. Brown is the wife of Rev. A. B. Brown, our Academic Dean. Barbara has wide experience as a pastor's wife and Christian school teacher. She is the mother of two children, Greg and Susan.

MIRACLE ON EAGLE ROCK ROAD

Southeastern has just undergone a tremendous change in its financial structure. We have effectively cut over \$400,000 from our long-term indebtedness. This has come about in three ways. First of all, we have paid some \$57,000 in old debts this past year. Secondly, we have been forgiven a debt of \$90,000 by a dear friend of the college. Thirdly, we have restructured our bond program which included a three percent decrease in the bond rate and, thus, has reduced our indebtedness over \$260,000 in accrued interest.

What a miracle!

Because of the understanding and generosity of our friends and bondholders we can now say we are now on a solid financial footing. These actions have truly given us a new beginning for our ten year celebration of our *Decade of Destiny!*

Because of the understanding and generosity of our friends and bondholders we can now say we are on a solid financial footing.

Does this decrease our need for your help? **By no means.** In fact, we hope that our new developments will encourage you to give. You see, in past years circumstances have presented themselves in such a way that it was impossible to meet each school year without an automatic deficit looming before us - **no more.**

No more - if you will continue to help. We need your help now - more than ever. We need your *gifts* to continue what Southeastern has begun and has tried to maintain for these past nine years. We need your *prayers* that we will have the wisdom to use the moneys intrusted unto us wisely. We need your *support* as you guide students to our campus.

Thank you so much for your prayers during these days. We believe that the Lord will continue to use folks like you to help us with the ongoing task of training workers for His vineyard.
