1992 COMMENCEMENT

We are pleased to announce that our commencement speaker for our graduation will be Rev. Danny Dwyer.

Bro. Dwyer and his family have been with Southeastern since its beginning. They have been an

intricate part of this college ministry and have manifested a servant's heart. Bro. Dwyer is the Chairman of our Pastoral Theology Department, and his wife, Carolyn, is the college secretary. Their son, Daron, is a senior at Southeastern and has sung in the college quartet for the past three years. Their daughter, Wendy Haynes, graduated from Southeastern with her husband, Todd, in 1989. They are presently ministering at the Cramerton FWB Church in Cramerton, NC. Sara, their youngest daughter, attends Raleigh Christian Academy.

In addition to being Chairman of our Pastoral

Theology Department, Bro. Dwyer serves as Vice President of the college. He oversees all the campus activities, and serves as President Bevan's right hand man. He has done an outstanding job in this capacity.

Bro. Dwyer is highly respected by students and staff alike. He is always prepared, and we believe you will enjoy hearing him speak to our graduates on Thursday, May 14, at 10:00 a.m. at the First FWB Church of Raleigh, NC.

President Bevan and the Board of Directors extend a cordial invitation for you to attend.

REMINDER!

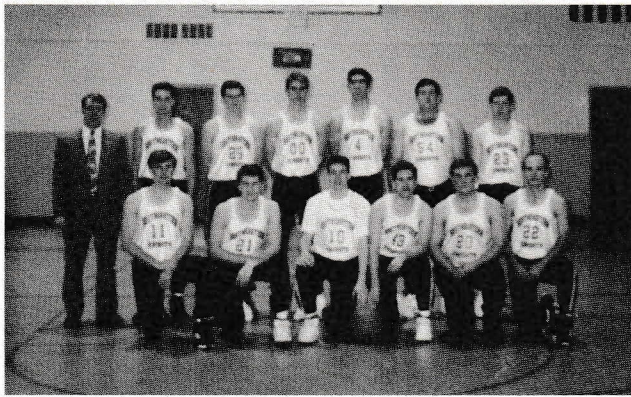

CAMP MEETIN' TIME

APRIL 13-15

on the campus of
SOUTHEASTERN

Free Will Baptist College

Come join us under the tent for stirring preaching, inspiring singing and heart-warming fellowship.

Following The Knights

This school year the Knights played six games with other Christian colleges finishing our short season with a 3-3 record.

We played Southeastern Bible College of Birmingham, AL twice; Ambassador Baptist College, of Shelby, NC; Free Will Baptist Bible College, Nashville, TN; Hillsdale College, Moore, OK, and California Christian College, Fresno, CA.

In December, we participated in the Free Will Baptist Classic in Nashville, Tennessee and played against the other three Free Will Baptist Colleges. We lost all three of those games, but our guys competed well and made a good showing.

We recently played Southeastern Bible College of Birmingham, Alabama in Cramerton, North Carolina on Friday night, January 31. We had beaten this team in November quite convincingly, but pulled out a squeaker 75-74 at the buzzer.

On Saturday, February 1, we traveled to Shelby to play Dr. Ron Comforts' college, Ambassador Bible College, and won that game 112-67.

The Knights will play the high school all-stars from the Christian schools in the MACAA Conference in our area. This game will be played during our spring Revival and Soul Winning Conference on April 14. That will conclude the season for this year. We hope to schedule 10-12 games for the 1992-93 college season.

A very special thanks to Rev. Jeff Jones, Associate Pastor at the Hilltop Free Will Baptist Church, for coaching this year's team. He did an outstanding job.

A special thanks to our fellows, too. They did a good job for us and maintained a great attitude. It was good to have this outlet for them. We haven't changed, nor have our fellows. Preaching, singing, and bringing folks to Jesus is still our main priority!

Pastors or laymen, the Southeastern Library is in real need of Greek grammar or resource books that you might have on your library shelves and seldom use.

We are especially interested in any books by A. T. Robertson or Dana Mantey, but we will be happy to receive any that you might have.

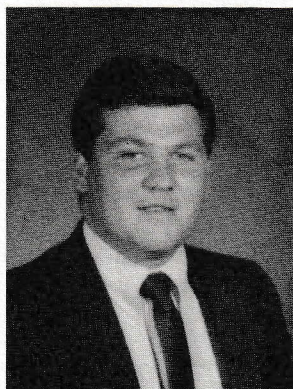

Please forward them to us as quickly as possible. Our students will greatly benefit from your contribution to our library.

As many of you know, Brother Guy Owens has suffered a heart attack but has undergone treatment and is now recuperating at home. Correspondence may be sent to:

SPOTLIGHT ON ALUMNUS

Reverend Donald Bailey, a 1987 graduate of Southeastern, has been ministering in the great state of Texas since graduation. He has recently re-opened the Forest Park FWB Church in San Angelo, Texas, which was closed for several years.

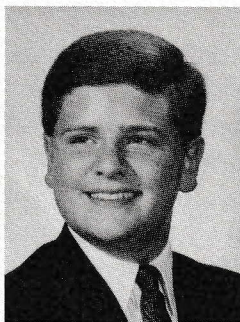

Don, may God bless you and your family as you re-build this work!

SPRING BREAK AT SOUTHEASTERN

Most all colleges and high schools have a time off from classes called "Spring Break." Secular schools often see their students use the time as a holiday from moral sanity.

Here at Southeastern, we want to offer to prospective students in high school a "Spring Break" of a different kind. We believe there are many young people who desire to honor Christ with their lives. *Spring Break* here (April 2-4) will be a time for lots of fun in a thoroughly Christian atmosphere with a spiritual challenge for life.

Please mark your calendar and make plans to join us at "Spring Break."

Our speaker for "Spring Break" is a future Southeastern student - 15 year old Scott Pauley of Beckley, WV. Scott is active in the church his father, Rev. Roger Pauley, pastors and has been used widely in revivals, youth meetings and special services for the past 2 years.

"Sound Off" For Southeastern

Just a few days ago we mailed a special "SOUND OFF FOR SOUTHEASTERN" cassette tape to the 499 students we have on our mailing list who will

graduate from high school this spring.

The tape contains commercials promoting our college which were written and performed by each of our four societies on campus. On the tape, the prospective students are asked to listen to all four commercials and vote for their favorite on the "OFFICIAL BALLOT" and mail it back to us. Just for voting, we are giving them a nice gift!

In addition to this, we are offering a special deal to anyone who applies to attend Southeastern next fall. In April, the new application fee of \$35 will go in effect. The fee until then will still be \$25. Also, we will send an extra special gift to all those who apply before April 1.

These tapes are available for anyone who is a prospect as a new student next fall. Drop us a line if you, or someone you know, would like one.

Southeastern is Alive and Well!!

A famous man once said, "*The reports of my death are greatly exaggerated.*" We sometimes feel that way here at Southeastern. Ever since we began, there have been reports circulating that we are going to close down. These rumors are just that - **rumors!**

Yes, Southeastern is alive and well. Now we admit that we are presently undergoing a restructuring of our debt service which will greatly ease the financial burden under which we have been operating. There have been some pretty big hurdles to overcome to see this plan through, but we have already surpassed the major ones. In fact, the plan is in its final stages now.

We have had numerous positive comments from those who know us and our financial situation best. For example, "*I have more confidence in the future of our school than ever.*"

Please pray for us that we will finalize our plan soon and join us at our Camp Meetin' in April for a **Victory Celebration!!**
