BE A PART OF OUR

TENTH ANNIVERSARY!

When the greatest students in all the world arrive on campus August 25, 1992, we will begin our tenth year of operation! Our 10th year! Think of it! It has truly been a "Decade of Destiny." To God be the glory, great things He hath done!

Many memories flood my mind as I think back over the past ten years. But the one blessing that transcends all others is the glorious privilege we have had to meet and be involved in approximately 600 different students' lives. We know it takes buildings and books, professors and programs to have a college. But what really makes a college is the students!

We are certainly grateful for the opportunity we have had to minister to the young men and women that have come through our doors. We appreciate the trust they have placed in us and it has been our privilege to help them discover and do God's will.

This is our purpose for existing! That's why we would like to help "you!" If you are a graduating senior or have already graduated, and are conscientious about God's will for your life,

there is no better place than Southeastern Free Will Baptist College.

This coming year will be one of our most exciting ever as we celebrate 10 years of God's blessings and goodness. What a great time for you to become a part of the Southeastern family!

Why not prayerfully consider attending Southeastern Free Will Baptist College this fall? We are still committed to: preaching the Word; personal soul winning; purity of life; and personal convictions.

Yes, we are small and there are some things we don't have. But let me quickly say, "There's some things we do have that money can't buy!" And these are the things that make Southeastern distinctive from other Bible colleges.

I urge you to be a part of our 10th student body this fall. It's going to be a great and exciting year. Your decision to attend Southeastern can be one of the greatest decisions you'll ever make.

If I can be a help to you, please call the college office. I'll be praying and looking for you.

Bro. Billy Bevan

SOUTHEASTERN STUDENT SERVING IN PANAMA

We are thrilled that our students are concerned about World Missions. This will be the second summer we have had students from our college serving as summer missionaries.

This year, Amy Mainus, will be serving in Panama with Stan and Brenda Bunch.

We ask you to pray for Amy that she will be used of the Lord to be a blessing to the Bunch family and also the church there in Panama.

Thank you for your financial support to make her summer ministry possible.

DO YOU NEED A SUMMER INTERN?

Southeastern Free Will Baptist College is in the ministry of training young people. We have a good number of young men who have answered the call to preach. We also have several that God has called into the music ministry.

Many of these men would like to work in Free Will Baptist churches this summer. If your church needs a summer intern, please call the college. Southeastern would like to serve our churches by placing these students. We want them to work under the supervised leadership of a pastor during the summer months. They need to be involved in the ministry of the local church as much as possible so they can learn while on the job.

If you are interested in one of these students working in your church this summer, just call the college and ask for Dr. Johnny Sexton.

ALUMNI ASSOCIATION ON THE MOVE!

In April the *Southeastern Alumni Association* held their annual meeting and elected new officers. They include David Peterman as President, Timothy Williams as Vice-President and Sonya Cheney as Secretary/Treasurer. New alumni plans and activities have already begun!

You are an alumnus if you have attended Southeastern at least two semesters. A letter from the new president has already been mailed. If you did not receive the information in the mail, please contact David or Sonya at the college office. The association desires to keep in touch with all of its alumni.

Be watching for more news and information on the *Southeastern Alumni Association*. They are excited about the opportunities to help the school.

SPOTLIGHT ON SOUTHEASTERN GRADUATES

Jeff and Rose Jones were 1987 graduates of Southeastern. Jeff graduated with a Bachelor of Biblical Studies Degree and Rose with a Bachelor of Christian Education. They have been working with the Hilltop Free Will Baptist Church, Fuquay Varina, North Carolina since 1986 where Jeff is Associate Pastor. Rose teaches fourth and fifth grade. GET ACQUAINTED DAYS UPDATE!

On April 2-4 we welcomed 58 students and 16 sponsors to our campus for spring Get Acquainted Days. We had a good number of juniors and seniors during this session. The students attended representative classes of each department and participated in various activities for fun.

It is our desire to present a good program of training for Christian work to the youth of our churches. Even if you did not attend Get Acquainted Days, we would be delighted to have you come and visit us on the campus. We'll leave the light on for ya!

MIGHTY RUSHING WIND ACCOMPANIES CONFERENCE

For the first time since Southeastern's relocation in Wendell, North Carolina, the annual Revival and Soul Winning Conference was conducted on the campus--under a tent!! This particular setting provided the attenders with a rather unique experience. In fact, there was a cold "mighty rushing wind" accompanying the very first service that lifted several perimeter tent poles and would have scattered Rev. Tom Lilly's sermon notes had he not used one hand for gestures and the other hand as a paper weight! Nonetheless, the attendance for the entire conference was excellent averaging 414 per night service.

Even after adjustments were made on the giant tent (to control the "mighty rushing wind"), a sense of excitement pervaded the conference! This was in part due to the spirit-filled singing from Southeastern's Music Department, and Tuesday evening's choir concert was of particular blessing. Special thanks to Rev. Randy Sawyer and Mrs. Terri Siebert of Southeastern's music faculty for their valuable contribution in this aspect of the conference.

Our conference preaching is always challenging,

but "powerful" and "pointed" would certainly be descriptive of this year's messages. In the opening service Rev. Tom Lilly (Greenville, NC) exhorted us to nail "self" to the cross. The following sermons of Rev. William Calvert (Gastonia, NC), Rev. Roger Pauley (Mt. Hope, WV) and Rev. Trymon Messer (Nashville, TN) all effectively focused on our tremendous responsibility to reach out to a lost and dying world. Rev. Dale Burden (Virginia Beach, VA) exhorted preachers to seek the power of God in their ministries and decried the feeble attempts of modern preachers to substitute devices or fabricated emotionalism for God's anointing. Finally, Rev. Curtis Linton (Tulsa, OK) in his powerful message Tuesday evening warned preachers of the dangerous ramifications for followers when leaders fight among themselves.

From the heart-felt singing to the soul-stirring preaching to the "tent atmosphere," this year's conference was thrilling! Make plans right now to attend next year's conference. We can't guarantee the "mighty rushing wind," but we can promise a warm welcome, good singing and preaching that will touch receptive hearts!
