December 1987

No. 6

FIRST PHASE OF SOUTHEASTERN CAMPUS COMPLETED

The first phase of the Southeastern Campus Building Program has been completed. Five beautiful buildings have now been approved by all of the state officials and county officials. We praise God for this significant milestone in the on-going ministry of Southeastern Free Will Baptist College.

These buildings have 30,000 square feet of excellent useable space with much thought given to this space so that none of it is wasted.

There is the cafeteria and music building which houses an excellent functional kitchen which furnishes the necessary equipment in every respect for successful cooking. Most of the equipment is stainless steel. The North Carolina State Department of Health has rated our kitchen Grade A (excellent). Also in this building is an adequate cafeteria, a large dating lounge, a large music room, offices for the music department personnel and four practice rooms.

The campus also has an Academic Building with four large classrooms, one small classroom, a library, a study room, two large restrooms and a chapel which doubles as a large classroom. This is a very functional building. When the college experiences sufficient growth, this building will be easily changed to a boy's dormitory and an entirely new academic building will be built at that time.

There are three dormitory buildings which if necessary could house a maximum number of 228 students. A full size apartment is housed in each of two dorms. Resident dormitory supervisors live in these apartments.

In addition to the above buildings, we are now in the process of renovating two other buildings that will be very useful in the further ministry of the college. One of these buildings is an 11 room home with beautiful porches and architectural design that will be occupied sometime next summer and will be used for administrative purposes. The other building that will be renovated will probably house the bookstore, snack shop and laundry.

The approximate cost of this first phase of the campus was \$2,250,000 . . . land and buildings.

We invite all of our friends and supporters to come by any time and see your campus. Please pray for all of us here. Please support this work of God with your prayers, by sending students and through your generous and sacrificial giving.

128 ENROLL FOR FALL SEMESTER

Southeastern Free Will Baptist College enrolled 128 students for the fall semester. There are 83 dorm students this semester, 42 girls and 41 boys.

Students enrolled from 13 states and 1 foreign country.

CRAMERTON FREE WILL BAPTIST CHURCH HONORS PASTOR WITH A \$50,000 GIFT TO SOUTHEASTERN

Southeastern Free Will Baptist College was greatly blessed recently with a generous gift of \$51,800 from the Cramerton Free Will Baptist Church. This gift was given in honor of Rev. Bob King on his 50th birthday. We commend the church for such a generous gesture and say "Thank You" so much.

A LOOK BACK . . .

MISSIONARY CONFERENCE 1987

"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him" (Psalm 126:6). This verse was the theme verse with our theme being "WHERE ARE THE REAPERS?" First Free Will Baptist Church of Raleigh, North Carolina along with their fine pastor, Dr. Randy Cox, did a great job of hosting our conference. It was evident from the very first service on Sunday evening that God was moving in our midst. Each of our speakers did a great job as they delivered their souls to us to challenge our hearts for World Missions. Our students, faculty and staff want to thank all of you that came to share with us the challenge and blessing of this conference.

Our altars were filled with fine young folks committing themselves to go into all the world with the blessed gospel. Will you join with us in praying for each of them that they will keep their commitments to the Lord and day by day march toward the field of God's choosing?

We are already praying and seeking the Lord's will for a theme and speakers for our conference next year. We at Southeastern believe that missions is the heartbeat of God and we certainly do want to be involved with what God has commanded of each of us "go into all the world and preach the gospel."

Thank you for praying for our conference and attending the services with us.

FLASH!

The Board of Directors of Southeastern Free Will Baptist College employed Evangelist Van Dale Hudson as part-time Director of Development at their recent Board Meeting December 14-15. His duties will begin January 1.

74 ATTEND GET ACQUAINTED DAYS

Many students say that our recent fall "Get Acquainted Days" were the best ever. There was a tremendous spirit on campus as 74 prospective students and sponsors visited our new facilities for a few days to acquaint them with life on the campus of Southeastern Free Will Baptist College. Students and sponsors attended from five states.

Our spring "Get Acquainted Days" will be April 14-16, 1988.

1987 SOUTHEASTERN TIP-OFF TOURNAMENT

This year's tournament had the most competitive games the tournament has ever had. Five of the games were decided by four points or less. The tournament, was won by Cramerton Christian Academy. Faith Christian Academy from Goldsboro, NC was the runner-up in this year's tournament. Hilltop Christian was awarded the Christian Testimony trophy for this year's tournament.

Russ King from Cramerton headed the all-tournament team as the tournament's Most Valuable Player. Joining King on the All Tournament Team were: Kevin Stox, from Mt. Calvary, Randy May from Hilltop, Frank Reynolds and Garland Tant from Raleigh Christian, Troy Parton from Liberty, Shannon Williams and Greg Brooks from Cramerton, and Steve Gurley and Marac Hollman from Faith in Goldsboro. Participants in this year's tournament included:

- Faith Christian Academy—Goldsboro, NC
- Hilltop Christian Academy—Fuquay-Varina, NC
- Ruth's Chapel Christian Academy—New Bern, NC
- Mt. Calvary Christian Academy—Hookerton, NC
- Liberty Christian Academy—Durham, NC
- Faith Christian Academy—Morristown, TN
- Raleigh Christian Academy—Raleigh, NC
- Cramerton Christian Academy—Cramerton, NC

CHOICE BONDS FOR SALE

On October 1 Southeastern Free Will Baptist College launched a comprehensive Bond Program to furnish the long term financing for our Campus Building Program. The amount of the bond issue is \$1,890,000. The interest rates on the bond issue range from 9% to 13% depending on the date of maturity.

The maturity dates range from 6 months to 15 years. Many of the long term bonds are compound interest bonds.

The entire bond program is guaranteed by a First Mortgage Deed of Trust and is investor insured.

Purchasing these bonds affords a wonderful opportunity to prepare for retirement, the education of children and to supplement other retirement programs such as social security and company retirement programs. Investing in these bonds affords a wonderful opportunity to get maximum returns on your money while at the same time helping Southeastern to train young people for the Lord's work.

These bonds also afford an opportunity to roll over your IRA's and draw a much higher rate of interest, since the bonds are IRA government approved.

Even though we have passed the \$1,400,000 mark in sales, there are a significant number of choice bonds still available. If you are interested in purchasing some of these bonds, please call (919)365-7711 and ask for Dr. Ange or Mr. Sawyer.

IF YOU WAIT 'TIL SEPTEMBER, YOU'LL NEVER GO . . .

I was one of those who planned to "stay home, work, save my money and enroll in Bible College next year." And I hadn't done badly at all, every cent of salary paid me each week was immediately deposited in the bank. I lived frugally, even stingily and was making real strides toward my goal.

Fresh out of high school, I was one of "Parker's Boys". I worked temporarily as a waiter at Parker's Barbecue Restaurant in Wilson, NC to earn college money. They also ran the motor court next door, where I was given an attic room as part of my arrangements. Too, I could eat all my meals at the restaurant free, so it didn't take much money.

One night in December, alone in that attic room I began thinking about my plans to go to Bible College "next fall." Things were beginning to unravel a bit at work, tension was building up between me and one of the boys.

Now, I have never heard God's voice audibly. But every Christian understands what I mean when I say that God spoke to me just as clearly as though it had been audible. "Guy, if you wait until September of next year, you'll never go to Bible College." That really jarred me! I do not know what the Lord meant. I do not know what would have happened to prevent me from carrying out my well laid plans! Could it have been that I would have gotten so involved in money-making that I would have become side-tracked? Would I have, as a 17 year old, away from home in a tense and sometimes tempting environment, fallen prey to some trap of satan! The answer to that question I have pondered hundreds of times.

One thing I do know is that God was doing me a wonder-favor by warning me, giving me an extra little "push" to enroll for the January semester which I did with the help of my Pastor and church.

Anyone who has counseled people who genuinely wanted to attend a Christian College knows that most of that large, large number who plan to wait, work a while and then enroll next year *do not make it*. Something happens to side-track them and alas, many *never* make it.

At age 51, and as a graduate of a Christian College, the father of 3 who have attended a Christian College, and as a pastor of almost 30 years who has counseled with scores of youth about attending colleges, and now as a professor at Southeastern, I have observed how hard the devil works to keep Christian youth from enrolling. Procrastination, "putting it off" is one of his most seemingly spiritual and harmless, yet most dangerous and effective tricks. Oh! May God help you make the right decision.

I write these words today to beg you to "do it today," don't put it off any longer. Attending a Christian College, especially when one has to work some to make it possible, takes faith, but then God always responds to faith.

If God is leading you to attend Southeastern Free Will Baptist College, He will help you! Trust Him, act now! We will do all we can to assist you in finding employment if you need to work.

We are praying that at least 25 students not enrolled first semester will enroll for second semester which begins January 29th. Please phone or write me for further information. Please don't let finances or anything else keep you from enrolling. At least give me the opportunity to tell you what we can do for you. Work phone (919)365-7711 or home phone (919)365-9450, ask for Mr. Owens. If I am not in, I will return your call.

WHY I AM GLAD I ENROLLED AT SOUTHEASTERN FREE WILL BAPTIST COLLEGE

There are many reasons why I am glad I enrolled at Southeastern Free Will Baptist College. The Bible-centered atmosphere is one of the top reasons. Much also can be said of the fact of a faculty that cares for the individual, his needs and the fulfillment of God's will in his life. The strong emphasis on soul winning and missionary zeal is also important.

I think the most important thing that has made me glad that I am a student of Southeastern is its commitment to equip young men and women to be all they can possibly be for the Lord Jesus Christ as faithful servants to a faithful Master. — Norris Newman

I am glad that I am enrolled at Southeastern because they have taught me that there is much more to being a child of God than most people today seem to realize. The entire institution teaches that we are to strive to be "second mile Christians" that count all efforts as loss unless they are done to glorify God. The one thing that impressed me the most

though was that they not only teach this, but they live it.

WHY TEACH DOCTRINE?

Doctrine has to do with the content of what is taught or what we believe. The Gospel we preach is simply doctrines concerning Christ and His redemptive work. In its broader use, doctrine, for the child of God, has to do with the content, the truths of the Christian religion. Doctrine is what we believe and what we believe is important. Briefly, doctrine is important for two basic reasons.

First, teaching doctrine is important because to err on the fundamental doctrines of the faith can doom one's soul. Listen to Paul as he admonishes Timothy concerning right doctrine. (He particularizes the doctrine he is referring to as "the" doctrine or the doctrines concerning the Christian faith, not just any doctrine.) He, in I Tim. 4:16, both commands and warns, "Take heed unto thyself and the doctrine; continue in them; for in doing this thou shalt both save thyself and them that hear thee." Regardless of what an individual believes about what the passage implies about the possibility of apostasy, it is clear that Paul warns that wrong belief concerning "the" doctrine posed a real threat to one's spiritual well-being.

The importance Paul placed upon maintaining right doctrine is seen in the fact that the words "take heed" come from a verb that is an imperative (a command) of continuous action. Literally it means, "continue holding fast unto thyself and to the doctrine." To further emphasize the importance of sound doctrine Paul comes right back with

another intensive command in its continuous action form, "continue in them." Actually the word could be rendered, "continue to persevere in them." Thus, Timothy is commanded to "continue holding fast" and to continue persevering in the right doctrine. Why, because if he continued in them he could save both himself and those who heard him. This harmonizes very well with John's admonition about sound doctrine in I John 2:24, "Let that therefore abide in you, which ye have heard from the beginning. If that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father." So, why teach doctrine? Because right doctrine is necessary in order to be saved. Erroneous doctrine can doom one's soul.

Second, it is important to teach doctrine because doctrine controls deeds, precept influences practice. Paul said, "I believed, and therefore have I spoken" (II Corin. 4:13). The worldliness of the Church, and therefore Her ineptness, is a doctrinal problem. America's moral debauchery is not simply a social problem. It is a doctrinal problem. Her doctrine of God is corrupted. America has created herself a god made in the image of depraved man. He is a gray bearded old grandfather who tolerates everything and punishes nothing. Tozier said that we tend by a secret law of the soul to move toward our mental image of God. One of the greatest tasks incumbent upon the Church of the eighties is to once again present to America the God of the Bible. This will be done doctrinally by presenting Him in His holiness, love, justice, mercy, power, wisdom, etc., all of which are doctrines. Doctrine is important because we are what we believe.

We seek to win the lost according to the holiness of the God we serve. (If God is not holy, then sin is not too bad, hell is not too hot, and we do not really need to win souls.) We dare attempt the impossible according to the omnipotence of our God. Doctrine does govern deed. Right doctrine is the first step to right living. Thus, we teach doctrine.
