## ***SOUTHEASTERN PURCHASES 60.86 ACRES***

Friday, May 15, 1987 will long be remembered in the history of Southeastern Free Will Baptist College. On that day, Dr. Joe Ange and other officials from the board of Southeastern met in Raleigh, North Carolina to sign the papers for 60.86 acres of land.

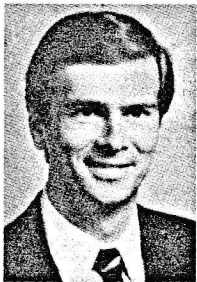

This historic time concluded weeks of negotiations and many hours of prayer in an effort to discern the will of God for the permanent site of Southeastern. The property is located east of Raleigh, between Knightdale and Wendell just off US Highway 64.

The Raleigh area is listed among the top ten cities as one of the fastest growing areas of our country. With the new Research Triangle East being developed in the Wendell area, Southeastern will be right in the hub of this gigantic growth.

Job opportunities in this area should be plentiful for our students. A number of great Free Will Baptist Churches in this area will give Southeastern students many opportunities for Christian service.

After July 1, 1987 the new address for Southeastern Free Will Baptist College is 532 Eagle Rock Road, P.O. Box 1700, Wendell, N.C. 27591.

## ***DR. MICHAEL PARAMORE JOINS FACULTY OF SOUTHEASTERN***

Dr. Michael E. Paramore, a native North Carolinian, will be joining the faculty of Southeastern this fall to teach in the area of Humanities and Teacher Education. He brings to the college twelve years of experience as principal and teacher of Bethel Christian School in Kinston, North Carolina, where his dad, Dr. David Paramore pastors the Bethel Free Will Baptist Church.

Dr. Paramore received his BS in Math from Bob Jones University in 1973. He received his Masters Degree in Education Administration in 1980 and recently his Doctorate in Education, both from Bob Jones University.

His wife, Joan, received her RN; BSN and M.Ed. from Bob Jones University.

Dr. Paramore, his wife and his two children, Christin and Michael, will be moving to Raleigh this summer to assume his duties this fall.

## ***FALL SEMESTER TO BEGIN IN SEPTEMBER***

Southeastern will open the doors of its new campus this fall in September. Because of the construction of the buildings, college opening will be delayed a few days. The company, which is contracting the buildings, plans to have them completed by September 1.

Site preparation began last week for the new buildings. The building committee is planning to construct four dormitories, 2 girls and 2 boys, with apartments in each for supervisors to live. These dorms should take care of the immediate needs and allow room for growth in the future. Plans call for two students in each room with bathroom facilities between each two rooms.

All students planning to attend this fall can be assured of a nice place to sleep and study as well as being able to eat in our new cafeteria. The fifth new building to be constructed along with the dormitories is the cafeteria and music building. There will be a lounge in this building which will be used for dating as well as other eventful activities. The administration of the college is planning to employ a dietitian who will in turn provide some of the finest meals known to man.

The building committee is in the process of getting color drawings of all the buildings, even the proposed ones, plus photographs of land and construction, to be used in its promotional displays.

Offices and classroom buildings will be constructed in the near future. Plans at this point are to use double-wide trailers until these buildings are constructed.

The layout of the campus with all the proposed landscape and buildings will be a place where any young man or young lady would be proud to attend and show their family and friends where they received their Christian training.

Excitement is mounting everyday as married students, faculty and staff are finding homes and making plans to get to their permanent location. Although everyone connected with the college will have a very busy summer, the anticipation of next year makes it worth it all.

## ***SOUTHEASTERN GRADUATES 33 STUDENTS***

Southeastern Free Will Baptist College graduated 33 students on May 14 at our fourth commencement exercise. This was a historic event in that we had several students who had completed all four years of training at Southeastern. Students, parents, board members and friends filed into the Gateway Free Will Baptist Church to honor the graduates and close the 1986-87 college year.

The Bachelor of Biblical Studies degree was awarded to 21 graduates while 11 were awarded the Bachelor of Christian Education degree. One graduate received the Bachelor of Sacred Music degree.

Dr. H. Randolph Cox, pastor of the First Free Will

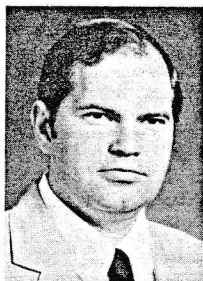

Baptist Church, Raleigh, North Carolina, delivered the commencement message. Two graduates, Terry Miller and Kelly Wallace shared brief testimonies. The College Choir and Rev. Randy Sawyer, head of the Music Department at Southeastern, provided special music.

Two special awards were presented this year. Brian Wilcox, a senior of New York State, received the Most Outstanding Student award while Greg Hollifield, from Erwin, Tennessee received a special award honoring him as the first graduate of Southeastern with a 4.0 grade point average.

Thirteen students graduated with honors.

## **THE HEART OF SOUTHEASTERN'S TEACHER EDUCATION DEPARTMENT**

The Teacher Education Department of Southeastern Free Will Baptist College recognizes the great need today for qualified, dedicated Christian teachers for our Christian schools. It is the desire and goal of Southeastern to train Christians to meet this need.

We at Southeastern feel that teaching is a ministry and, therefore, a person must be called of God to that field of ministry. It is unacceptable to produce merely teachers for Christian schools. It is our conviction that we must produce Christian teachers that have accepted God's call to the ministry.

All of Southeastern's Teacher Education students must complete a broad Bible based core curriculum. These students must also complete an extensive professional curriculum that equips the student to perform their ministry in a manner that would benefit the student, the church, and the Lord. The Scripture shows up that God always prepared those which He called to serve. The Teacher Education department at Southeastern believes very strongly that it has a responsibility in preparing students to serve.

It is our belief that the students must have the proper philosophy of ministry in the local church. Southeastern students are not only taught the professional and technical aspects of teaching but also the practical exercise of their acquired skills and knowledge. The students are instructed as to how they can become a productive part of the total church ministry.

It is with these goals and expectations that the Southeastern Free Will Baptist College Teacher Education Department is endeavoring to train servants of God that will further His work in our churches.

## **GROUPS TRAVELING FOR SOUTHEASTERN THIS SUMMER**

We are happy to have two groups traveling for the college this summer. Our mixed quartet will be traveling with Don Bailey, one of our graduates. This group will be traveling in Kentucky, West Virginia, Ohio, Tennessee and Alabama. They will also be visiting youth camps. We ask you to pray that God will use them mightily in winning souls and encouraging churches and pastors where they will be ministering.

Our trio will be traveling in Georgia, Florida and Alabama. Brian Wilcox will be traveling with them during the month of June and he will be joined by Randy Sawyer, our professor of music, during the month of July. Remember this group in prayer that God's anointing will be upon them. This group will also be visiting youth camps and sharing the Lord as they have opportunity.

Both groups will meet at the National Association in Birmingham, Alabama to form an ensemble that will be singing at the National and then they will be having a weekend together in North Carolina.

If these young folks are ministering in your area, be sure to go out and hear them sing and be blessed and challenged by their testimonies and messages.

## **THE BIG SOUTHEASTERN BANQUET AT BIRMINGHAM**

One of the thrilling highlights of the 1986 National Association was our Friends of Southeastern Banquet. We are expecting another great crowd to attend Southeastern's banquet this year in Birmingham. Plans are already being made for having another successful banquet. Don't miss it. It will be a year to remember.

Friends of Southeastern are asked to come by the Southeastern booth Monday to pick up your complimentary ticket.

## **EVANGELISM CONFERENCE**

### **"A Great Success"**

Southeastern Free Will Baptist College sponsored its fifth annual Conference on Evangelism April 5-8, 1987 in Virginia Beach, Virginia. Record crowds witnessed one of the greatest conferences of recent days as God's men unburdened their hearts about a number of themes from the Word of God. Shouts of "glory" and praise were frequently heard during the services. The Department of Sacred Music at Southeastern provided most of the music that blessed everyone present.

Due to illness, Dr. Wally Beebe was unable to attend the conference as scheduled. Other men very ably filled the vacancy making this year's conference speakers those entirely from Free Will Baptist ranks. No apologies were needed! Many testified that the meeting was the best they had attended.

The College Boards met to hear reports and make decisions about the ministry of Southeastern. This year's meeting was especially crucial with the transitional move to property in North Carolina pending.

The Conference on Evangelism provides a much needed rallying point for Free Will Baptists. It is designed primarily as a motivation for revival and soul winning which is the heart of the college.

Next year's conference is scheduled for April 3-6, 1988 in Raleigh, North Carolina. See you there!
