No. 3

## OUR PROMOTIONAL MEN NEED YOUR HELP

Pictured to the right are the likenesses of our two promotional men — Dr. Joe Haas on the left, Promotional Director for our General Fund operation and on the right, Evangelist Van Dale Hudson, Director of Development. These two men have accepted the responsibility of raising monies for our General Fund and campus development.

The gift income budget for 1988-89 has been set at \$273,126. Most of these funds must be raised by Dr. Haas and those who assist him. In order to reach our gift income budget, our churches and friends must give \$22,760.50 per month.

All of our friends can readily see that the gift income needs are great. There are basically four ways that our friends are asked to give to the General Fund — cash offerings through special services and special Southeastern Free Will Baptist College Days, through the monthly checkbook system, through the faith promise commitment and through the church budget.

Summer time is a hard time for non-profit organizations to raise funds. Therefore, we need your wholehearted support this summer. Please use one of the four methods mentioned and support Southeastern generously this summer.

Evangelist Van Dale Hudson is attempting to raise \$300,000 this year to acquire the money necessary to make the payments on our beautiful new campus. He is trying to enlist 2500 people or churches who will give a cash offering of \$120 for the Building Fund or who will sign a checkbook for \$10 a month for this year.

God is blessing Brother Hudson in this great endeavor but he needs the complete support of every church and every friend of Southeastern Free Will Baptist College. For further information on how to give through the **SECOND MILER BUILDING PROGRAM**, you may call Brother Hudson at (800)356-1659 or the college office at (919)365-7711

For further information on the **GENERAL FUND** giving, please call Brother Haas at (919)365-7711.

I will be expecting to hear from hundreds of our friends soon. Our summer needs are pressing and we need to hear from you now.

*Dr. Joseph Ange, President*

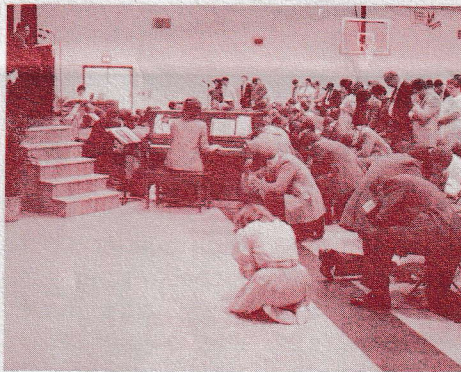

# GREAT 1988 CONFERENCE

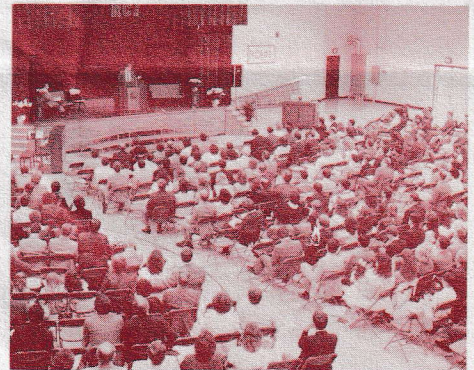

Each year Southeastern Free Will Baptist College sponsors a conference on Revival and Soul Winning. Every year the conference gets better and better. The conference this year was outstanding. The messages by Brian Atwood, Rick Cash, Dr. Randy Cox, Willie Justice and Dann Patrick were great. The music was heart-warming. The crowds were excellent, especially out-of-town visitors.

During the conference, those attending purchased approximately \$3000 worth of books to be placed in our library. This increased significantly the number of useful volumes in our library.

The altar response was thrilling. Numerous people rededicated themselves to God and some made lifetime commitments to serve God wherever the Holy Spirit would lead them.

Before the conference concluded, there was an excellent organizational meeting of the Southeastern Free Will Baptist Alumni Association. This association will function throughout the year and will hold its annual meeting during the spring conference every year. The first project chosen by the alumni members was the purchasing of an entrance sign for the college.

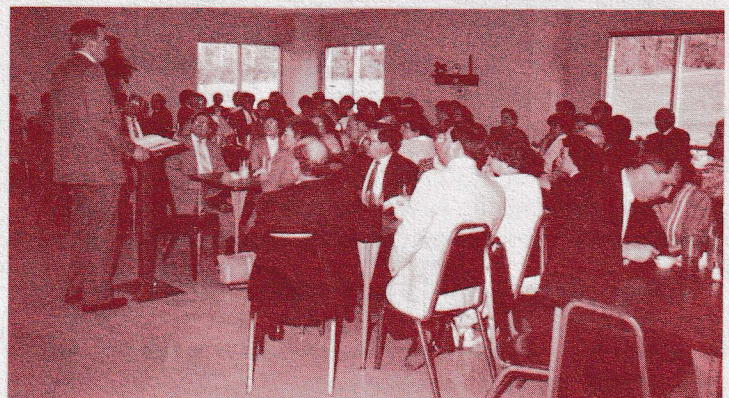

## CONFERENCE SUPPER SUCCESS SECOND MILE CAMPAIGN ADVANCES

In conjunction with the Revival and Soul Winning Conference, a delicious meal was served in the college dining hall honoring all SECOND-MILERS present at the meeting. Evangelist Van Dale Hudson spoke concerning the need to go the second mile in PRAYING for the college; PROMOTING in a positive, patient, persistent, and personal way; PAYING by giving to the general fund and the Second Mile Campaign, by making of wills, and by the matching of gifts; and PLANNING for the future expansion needs as present needs are underwritten.

An appeal has been made for 100% participation in the SECOND MILE program to all members of the Board of Directors, Cooperating Board Members, Faculty, Alumni and friends who have given in the past. The effort is yielding good response. Every recipient of the SECOND-MILE brochure is urged to respond promptly. Remember the goal for 1988 is to enlist 2500 contributors who will give \$120 for 1988. At this point there are 163 SECOND-MILERS. Including all gifts designated to the campaign, the college has received a total of \$18,617.13 to be applied to the SECOND MILE building fund drive.

To be a blessing and be blessed, every friend of Southeastern is encouraged to go the SECOND MILE. Be a part of shaping young lives for Christian service.

## FRIENDS OF THE LIBRARY PROJECT MEETS SUCCESS

The "Friends of the Library" project went far beyond our expectations during our recent Revival and Soul Winning Conference. Before the conference we had purchased 225 books from a "most-needed" list given by the professors. In fact, some of the books were so needed that the students had to use them for term paper material before our conference.

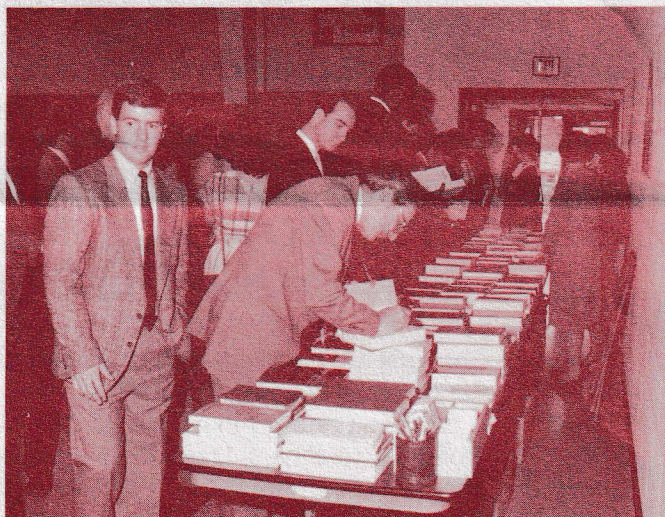

Several weeks before our conference a letter was sent to pastors informing them about our project and the importance of it. We had really prayed that the need would be met. But even after praying and believing, we were not prepared for the response of our people. By the end of the conference all the books had been purchased, and some wanted new book lists to take back to their people so they could get involved in the project also.

We already have new book lists on file ready to be ordered as soon as the money is available. If you would like a list of books that are needed for the library in order

to get your church, Sunday school class, youth group, Christian school, etc., involved, we would be delighted to send you one.

We "thank you" again for a job well done on the library project.

Marie Owens, Librarian

## GET ACQUAINTED DAYS BEST EVER

Southeastern recently experienced its greatest "Get Acquainted Days" ever. April 14-16 were the dates set aside for high school students to visit the campus and get a first hand view of campus life.

The total attendance was 124 with 102 prospective students and 22 sponsors. These young people came from 35 different churches and represented 5 states.

In recent days there have been at least 75 other prospective students to visit our campus who were not able to attend our "Get Acquainted Days."

The dates for our 1988-89 "Get Acquainted Days" are November 17-19, 1988, and April 13-15, 1989. Make your plans now to attend.

## SPECIAL NEEDS

Just a reminder that Southeastern is in need of two (the old style) video cameras with accompanying video recorders for use in various courses (speech, homiletics, teacher education). If you can help us in this matter, please contact the school office at (919)365-7711.

Other items needed are: 14 horsepower riding mower (\$1200), fertilizer spreader (\$200), computer (\$8000).

If you need assistance in locating a pastor, associate or Christian education workers, please contact us at the college office.

## MIRACLE DAY

at  
Faith Church, Goldsboro

Bro. Dann Patrick, pastor, and the people of Faith Free Will Baptist Church, Goldsboro, recently had their annual Southeastern Free Will Baptist College Day. There was a cash offering that day of \$36,979.05. Along with the cash, other commitments — checkbooks, weekly and monthly commitments totalled an additional \$11,552. Not figured in the above totals are some additional Second Mile checkbook commitments for the Building Fund. This will put the total for cash and commitments over \$50,000.

Our many thanks to Brother Patrick and the faithful Faith people for all your previous gifts and for your great "Miracle Day." Hallelujah! To God be the glory!

## FOCUS ON TIMOTHY PROGRAM

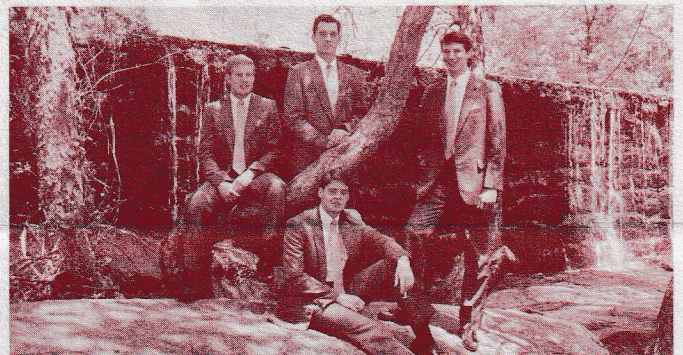

Among other interns, Chuck Walker, one of our students from Florida, will be assisting Rev. Danny Baer, pastor of Heritage Free Will Baptist Church, Williamsburg, Virginia, with his summer ministry.

The purpose of this program is to acquaint the intern with the practical ministry in the local church by having the expertise of an experienced pastor involved.

Some of the academic requirements include preparation of one message a week, preparation of one book report per week, witnessing to at least five people per week plus completing the assigned responsibilities chosen for the intern by the local pastor.

## SOUTHEASTERN REACHES OUT THIS SUMMER

Bro. Randy Sawyer and the college quartet will be traveling this summer sharing the gospel in song, testimony and preaching. This fine group will be sharing the thrilling miracle story of God's blessing on Southeastern Free Will Baptist College. They will be visiting the following states: Delaware, New Jersey, Virginia, Maryland, Pennsylvania, West Virginia, Ohio, Indiana, Kansas, Oklahoma, Arkansas and Tennessee. We ask you to pray for these young men that God will use them greatly for His glory.

Dr. Joseph Haas will be representing Southeastern in state meetings this summer. He will be traveling in North Carolina, South Carolina, Indiana, Ohio, Mississippi, Maine and northeast churches. Pray for the power of God to be on his ministry.

## CONGRATULATIONS GRADUATES

(Full Coverage in July issue)
