October 1... A New Beginning

On October 1, 1987 Southeastern Free Will Baptist College will open its doors for its fifth year of operation. This year is a special year in the fact that we will be opening on our own campus--a real "New Beginning" for us.

National Banquet

Wednesday, July 22, 525 "Friends of Southeastern" gathered in the Four Seas Ballroom of the Ramada Civic Center Plaza to enjoy a time of eating and fellowship. The College trio, quartet and ensemble provided the special music and testimonies while Dr. Ange, Dr. Stox and Dr. Haas gave an updated report on the progress of the college. We greatly appreciated all those who attended.

Get Acquainted Days

Twice during our school year Southeastern hosts what we call--Get Acquainted Days. This allows prospective students to visit our campus and get a first-hand view of college life. Many students are presently enrolled in our college because of their visit to our campus. Write today for information on these days. Our dates for this year are November 19-21 and April 14-16.

Summer Groups

The College trio and quartet along with Dr. Joe Haas and Randy Sawyer traveled extensively throughout twelve states this summer holding service for the College. We praise the Lord for the 407 decisions that were made in these services. A great number of them were first time decisions.

We would like to thank all of those who housed our groups or in any way helped them have an effective summer. Our student enrollment will be greater this year because of the work of these groups.
