

SOUTHEASTERN

FREE WILL BAPTIST COLLEGE

UPDATE

VOLUME I

SEPTEMBER, 1983

NO. 1

A WORD FROM THE PRESIDENT

Even "GLORIOUS" falls short of describing the opening days at Southeastern. The combined happenings are near the most gratifying of all my experiences in God's service.

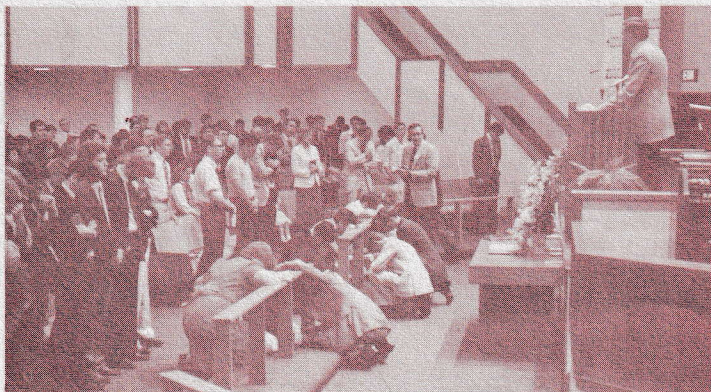

God has given us 89 young men and women who are very intense in their dedication and service to HIM. These young people are able to articulate with compassion their seriousness in doing God's will. They possess a burning desire to win souls and build the work of God.

Our faculty and staff are people of great dedication. They have, and are, putting in long hours in various areas of responsibility to see that our students get the training they came to receive.

It would be impossible to adequately describe all that the people of Gateway Free Will Baptist Church have done to prepare for the opening of Southeastern. This church has a unique spirit of love and soul winning fervor, ably led by their good Pastor, Dale Burden.

I ask that you pray for us as we seek to equip young lives for the work of the kingdom. Come to see us. You will be blessed, challenged, and encouraged by what you see. Give to support this worthy undertaking. Send us your young people to train. We will return them to you with a greater love for God and their church, and a greater love for and loyalty to their pastor. We are your servants.

OPENING SERVICES — SPARKS OF REVIVAL

From the first note on the piano to the last "AMEN", there was excitement in the air. The music and the message spoke to the hearts of the over 400 who attended these opening services.

Pastor Dale Burden welcomed everyone to the area and to Gateway Free Will Baptist Church. President Randy Cox spoke Monday night on Soul Winning. Many responded to the invitation. One came to answer the call to preach — others came committing themselves to soul winning and re-dedication.

Rev. Billy Bevan and Rev. Van Dale Hudson did outstanding jobs preaching Tuesday morning and Tuesday night respectively. A number of decisions were made at the conclusion of the services.

It was evident that God's blessing was on the meetings and His Spirit real. This revival spirit continues to prevail on the campus of Southeastern as the students meet daily for classes and chapel.

WHY I CAME TO SOUTHEASTERN

There are several reasons why I came to Southeastern Free Will Baptist College, but the main one is that it is God's will for me.

This college was born for a reason, and I believe that reason was to educate Christian people in an atmosphere where they can grow spiritually. Southeastern does that very thing. I am convinced the Lord sent me here not only to help me learn more about Him, but also to use me in helping others come to know the same Lord that I love.
