

TESTIMONIES OF THOSE WHO CAME

"This school has changed my life through the pain of learning through mistakes and through the happiness of being with Christian friends."

Robin King, TN

"I know that I have grown in the Lord as a direct result of this college in the past year. But as for now, I want to use what I have in His service diligently this summer."

Rhonda Radford, NC

"When August, 1983 arrived, I was by no means prepared for what lay ahead. My life was ruled by a cold heart and indifference to the things of God. The Lord used Southeastern to warm that cold heart and to give me a new initiative."

Greg Hollifield, TN

"Southeastern has been a place where I have really learned what it is to put the Lord first in my life. I have not only learned to do this in the atmosphere here on campus, but also how to do it away from here."

Chris Huff, NC

"Words cannot express what Southeastern has meant to me. God has used it to help me grow spiritually. The teachers here are truly men and women of God."

Glenn Tripp, NC

"I love Jesus more as a result of this college. But the most impressive thing to me is how that every word, service, and classroom is filled with God's presence."

Jay Baines, AL

"Jesus has become such a real person in my life. I still have alot of growing to do in the Lord, but I really do want to do something for Him."

Lisa Sink, NC

"My eyes have been opened to the true values in life, which are living for Jesus and serving Him with all your heart."

Angela Pate, NC

"The most important concept that I have learned is the soul-winning. As Christians, it is our responsibility but it should be a privilege."

Sera Deans, NC

"I got saved on August 31, 1982, and one year from that date I was on the campus of Southeastern. Not really being prepared financially, God met all my needs. I learned more about having a consistent prayer life and staying in God's Word. I believe with all my heart that it has been that daily walk with Jesus that has helped me to grow spiritually and to thirst and hunger for righteousness."

Richard Conyers, SC

WHY YOU SHOULD PRAY ABOUT ATTENDING SOUTHEASTERN

Southeastern Free Will Baptist College is not for everyone, but it is the opinion of the administration that God has a number of young people that He wants here. Southeastern was born out of a burden for revival and soul winning with a vision that a generation of young people can be and must be taught that same burden.

We are pervasively geared to the local church by precept and practice. We believe that the local church is God's channel for the maturing of the Christian and the evangelism of the world.

Soul winning and Christian maturity are seen as inseparable at Southeastern. There are innumerable opportunities to learn by experience the incomparable joy of leading a person to Christ.

Our preachers are taught each semester the Biblical principles and contemporary methods of building a progressive, multi-ministry church.

The Teacher Education program is designed specifically to equip the student to effectively minister in a Christian School. Students are prepared in the four-year program to go directly into the classroom of a Christian School upon graduation.

Southeastern is a distinctive Free Will Baptist College. Perhaps you should pay us a visit and seriously pray about enrolling.

College Exceeds \$325,000 Budget With 2 Months Remaining In Fiscal Year

Gifts to Southeastern FWB College have come from so many sources this year. It has been a real joy watching the hand of God move on the hearts and lives of so many of our people. He has supplied every need.

Though the challenge is great for next year, and the ministry will require a much greater budget, we believe God will use His people to supply the need. Thank you for sharing.
