

Update

VOLUME 1

MAY 1984

NO. 4

College year 83-84 is almost history. On May 3rd, we will conclude the first year of ministry at Southeastern Free Will Baptist College. What a glorious year God has given us.

College opened in August, '83 with 89 students, the largest number of students to gather for the opening of a Free Will Baptist College in modern history. Second semester saw enrollment increase to 91 (not including 8 additional night students not enrolled in the day program). Prospects appear good for a fall enrollment of 125.

Financially, at times it has been close but God has enabled us to manage. All indications now are that we will exceed the first year's budget of \$325,000.00.

There have been many highlights during the year. Times of prayer and fasting. Times of weeping over lives broken by sin. Times of reaping as repentant sinners found the Saviour. All of this was preparatory to the Conference on Evangelism and Soul Winning. The preaching was powerful and the Spirit of God was moving in every service. Three young men answered God's call to preach. Many other decisions were made also.

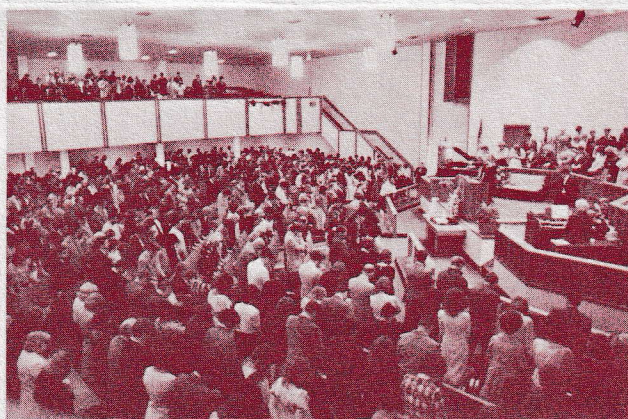

God gave us a great group of young people our first year. What a joy to see them grow in the Lord. That growth produced zeal. That zeal resulted in many souls coming into the kingdom. Most won their first soul to Christ this school year. Many were able to follow-up the people they won, walk the aisle with them and see them baptized and in the work of God. It was continually refreshing to hear our students testify regarding their soul winning experiences.

Truly God is blessing here. We praise Him for it. We want to thank you who have given and prayed so that this could be a reality. Also, we thank you who sent your students. We are your servants. We commit ourselves to teaching your young people to serve and then send them back to you loving their preacher and church more, faithfully supporting with their presence and ready to serve.

Pray for Bro. & Mrs. Haas and the Quartet as they travel to the different states this summer.

Conference on Soul Winning and Evangelism

"The Highlight of the Year"

Weeks before the conference, many had prayed for revival; some all night at times. There was an expectation, an electrifying feeling in the air on campus of Southeastern as the days of the conference drew near.

From the very first note on the piano to the final amen, God's presence was very evident. Hearts were touched and moved as the Holy Spirit weaved its way through the heart strings of those present. A number of life-changing decisions were made at the altar.

Many expressed that it was without doubt the best conference they had ever attended. The messengers were obviously anointed of God. The music was outstanding.

Testimonies by various members of Gateway Church and students at Southeastern were a tremendous blessing and contributed greatly to the overall spirit of the Conference.

Attendance during the day services ranged from 350 to 450 while night service attendance reached into the 700's.

Next year's conference will be March 31 through April 3. Make plans now to be here for that meeting. An even greater year is expected next year, in attendance as well as blessings from God.

Conference tapes can be ordered for \$2.50 each. A complete set of conference tapes will cost \$25.00 plus postage and handling.

All-Tournament Team

Left to right: Todd Haynes, Glen Shultz, Bill Jewell, Dale Justice, Junior Fields;
Back Row: Ricky Shields, Ronnie Jacobs, Tim Riley, Ronald Russell, Joel Welch.

There were seven Free Will Baptist Christian High Schools represented at Southeastern Free Will Baptist College's first annual Basketball Tournament. Gateway Christian Varsity team, Virginia Beach, Virginia, won first place while Faith Christian Academy, Goldsboro, North Carolina, finished second. The tournament was a tremendous success.

Bro. Nate Ange preached a very challenging message to which many young people responded during the invitation.

The tournament next year will be a "Tip-off" Tournament, November 29 - December 1, 1984.

Cooperating Board Adopts '84-'85 Budget

At the annual meeting April 4, 1984, the Cooperating Board of Southeastern Free Will Baptist College adopted the '84-'85 budget in the amount of \$526,233. In addition to this, the Board adopted a land fund project of \$250,000.00, with \$50,000.00 of the project to be raised during the '84-'85 school year.

Southeastern is anticipating an enrollment of 125 students for the fall semester. If you desire to be trained to serve God in a local soul winning church atmosphere where you weekly apply what you learn in the classroom, you should prayerfully consider Southeastern.

Get Acquainted Days

Ninety-five juniors and seniors along with twenty sponsors attended Get Acquainted Days this year at Southeastern on March 30 - April 1.

These prospective students joined approximately 250 folks from Gateway in an all day visitation which greatly attributed to the over 2200 in Sunday School at Gateway Free Will Baptist Church on April 1.

The spiritual atmosphere during these days was very exciting and God blessed in a great way as Pastor Dale Burden and Bro. Nate Ange preached to them.

Next year's Get Acquainted Days will be March 28 - 31.

The Administration is pleased to announce that Mrs. Carolyn Dwyer, wife of full-time professor Danny Dwyer will be Acting Dean of Women next year at Southeastern. Her experience as a mother and pastor's wife will be of great asset to her as she assumes her new responsibility.

Mrs. Barbara Haas, our former Dean of Women, will be traveling with her husband and will be doing his secretarial work.

If you wish to be put on our mailing list, please notify us at the address listed above.

If you, as a pastor, wish for your church to receive the **Update** in bulk, please notify us.
