

SOUTHEASTERN CELEBRATES FIRST BIRTHDAY

We have just past our first birthday. One hundred twenty-five full time day students started our second year with us. This is a substantial increase over last year. We rejoice and praise the Lord.

Southeastern remains committed to equipping servants of God who will go to the field ready to make an immediate contribution to the work. Our local church growth emphasis results in students being more "soul-conscious." They gain the heart realization that every servant of God is responsible to win souls. This is something you can do to be a plus to any local church beginning your first day on the field. People won to Christ and walking the aisle at invitation time to publicly profess Him as Savior should be exciting and encouraging to any pastor. Add to this the academic preparation our students receive and you have a servant, "...thoroughly furnished unto all good works." (II Tim. 3:17b)

If you are interested in a ministry like this, then you are interested in Southeastern Free Will Baptist College. You can be a help to this work. Your **prayers** are our first need. Satan does not like what we are doing. His attacks are coming from both obvious and unsuspected sources. Pray for us. Your **students** are our second need. Make us known to your congregation. We will be happy to send a team to your church at your request. Your **finances** are our third need. Our gift income for 84-85 must average \$15,750.00 each month. We need your help and the help of your people.

We are off to an exciting second year beginning. Visit us at any time. Pray for this ministry daily.
