

The Southeastern Standard

"I will . . . set up my standard to the people." Isaiah 49:22

THERE IS A DIFFERENCE AT SOUTHEASTERN

BECAUSE OF ITS SPIRIT

The atmosphere on Southeastern's Campus is distinctively friendly, fervent and spiritual. A revival spirit prevails. Godliness and love, mingled with sanctified, practical living, guides our days here at Southeastern.

BECAUSE OF OUR ACADEMICS

The academic requirements are high but the students are motivated through the love of their teachers and their personal concern to excell. Grades are earned at Southeastern and not doled out.

BECAUSE OF CHRISTIAN SERVICE OPPORTUNITIES

There are no better opportunities for Christian Service than through the Greater Hampton Roads Community. Our students are exposed to Gateway, a multi-ministry church with the largest bus ministry, youth ministry, children's ministry and ministry to the military to be found anywhere. The area with 1,300,000 citizens and growing rapidly, affords a multiplicity of service opportunities for our students. Such training is vital to the training of today's champions.

BECAUSE OF ITS DISTINCTIVE SETTING

Tidewater Virginia and the Greater Hampton Roads area is one of the most heavily populated military areas of our country. There are over 300,000 military personnel, who when saved and trained, would ultimately be scattered throughout the world sharing the gospel.

BECAUSE OF JOB OPPORTUNITIES

Job opportunities abound in Tidewater. Any student who wants to work can find a job in Tidewater, Virginia. One student found a job not only for himself but his business grew until he employed 14 other students. Lumber City, Mr. How, Haynes Furniture, Parker's Dry Wall, Snyder Cleaning Service and J & K Sheetrock all employed up to ten of our students. There are many other places that our students worked.

BECAUSE OF A FERVENT CHAPEL PULPIT

Each day, Monday through Friday, we have a full hour for chapel services. The students hear strong, scriptural sermons every day from the President, faculty, soul winning pastors and other guest speakers. This is a vital part of the training of our students.

BECAUSE THE COST IS LESS

It cost less per student to attend Southeastern Free Will Baptist College than any comparable, quality, Christian College I know. For instance, our tuition next year, 1986-87, will be \$55 per semester hour which is far below the national average for semester hour charges. Our room and board rates are much lower also.

BECAUSE OF OUR EXPANDING CURRICULUM

Next year, we will be offering a music major, with the opportunity of coupling with that, minors in several different fields. We are also adding a Department of Evangelism headed by a full time man. His responsibilities will be teaching evangelism, directing Christian service, heading up an Extension Department and directing the Internship Program. We are planning to add to our offerings an Associate Degree in Business and Data Processing in the fall of 1987.

BECAUSE SOUTHEASTERN IS DISTINCTIVELY FREE WILL BAPTIST

We want everyone to know that Southeastern Free Will Baptist is thoroughly Free Will Baptist. All the administrative officers, faculty and staff members are all Free Will Baptists. We teach and practice Free Will Baptist distinctives.

BECAUSE OF OUR NONDISCRIMINATORY POLICY

Southeastern Free Will Baptist College admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to the students at the college. It does not discriminate on the basis of race, color, and national or ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

BECAUSE OF VETERAN ADMINISTRATION APPROVAL

VA benefits are available to those students who can furnish proof of their eligibility and are enrolled in an approved program of study.
