SOUTHEASTERN ANNOUNCES FULL-TIME PRESIDENT

On Thursday, May 9th, Bro. Dann Patrick, chairman of the Board of Directors of Southeastern, announced to the faculty and staff following the graduation services, that Bro. Billy Bevan had accepted the position as full-time president of the college and would begin his full-time duties on August 1, 1996.

After serving seven years as part-time president and also pastor of Hilltop Free Will Baptist Church, Bro. Bevan stated that he did not feel he could continue to lead both ministries and do justice to them. It was a difficult decision to make, but after 17 years as pastor of Hilltop Church, Bro. Bevan believed God was leading him to be involved in the college ministry full-time.

Southeastern will be eternally grateful to the wonderful people of Hilltop Church who shared their pastor with them for the past seven years. Bro. Bevan stated in his resignation to the church that he wished every pastor had the privilege and opportunity to pastor a group of people like the people at Hilltop.

Bro. Bevan states that the timing is right for both the church and the college. Two years ago, God worked a financial miracle

for us. Since that time, the college has continued to increase in enrollment and we are anticipating a possible record enrollment this fall.

"...the 'best days' for the college are in the future."

Because of the increase in enrollment, it has become necessary for Southeastern to look toward building a multipurpose building that will serve us in several areas (see layout elsewhere in this publication.)

Bro. Billy believes that the "best days" for the college are in the future. It is an exciting time to be involved in the ministry of

Southeastern. Bro. Bevan states that the blessings of God have been almost overwhelming during the past few years and as Southeastern faces the future, he is expecting even greater things.

Bro. Bevan asks that you please pray for him and the college especially during the transition period.

If you would be interested in having Bro. Bevan in your church for a promotional service or revival, please call Bro. Jack Lassiter's office and secure a date.

CALENDAR

August 21-23: Student Leadership Conference

August 24: Freshman Arrive

August 26-27: Freshman Orientation

August 26: Dorms open for all other students, 10:00 a.m.

August 27: Registration

August 28: Classes Begin

October 17-18: Missions Conference

November 14-16: Get Acquainted Days

November 27-December 2: Thanksgiving Holidays

BUILDING THE DREAM

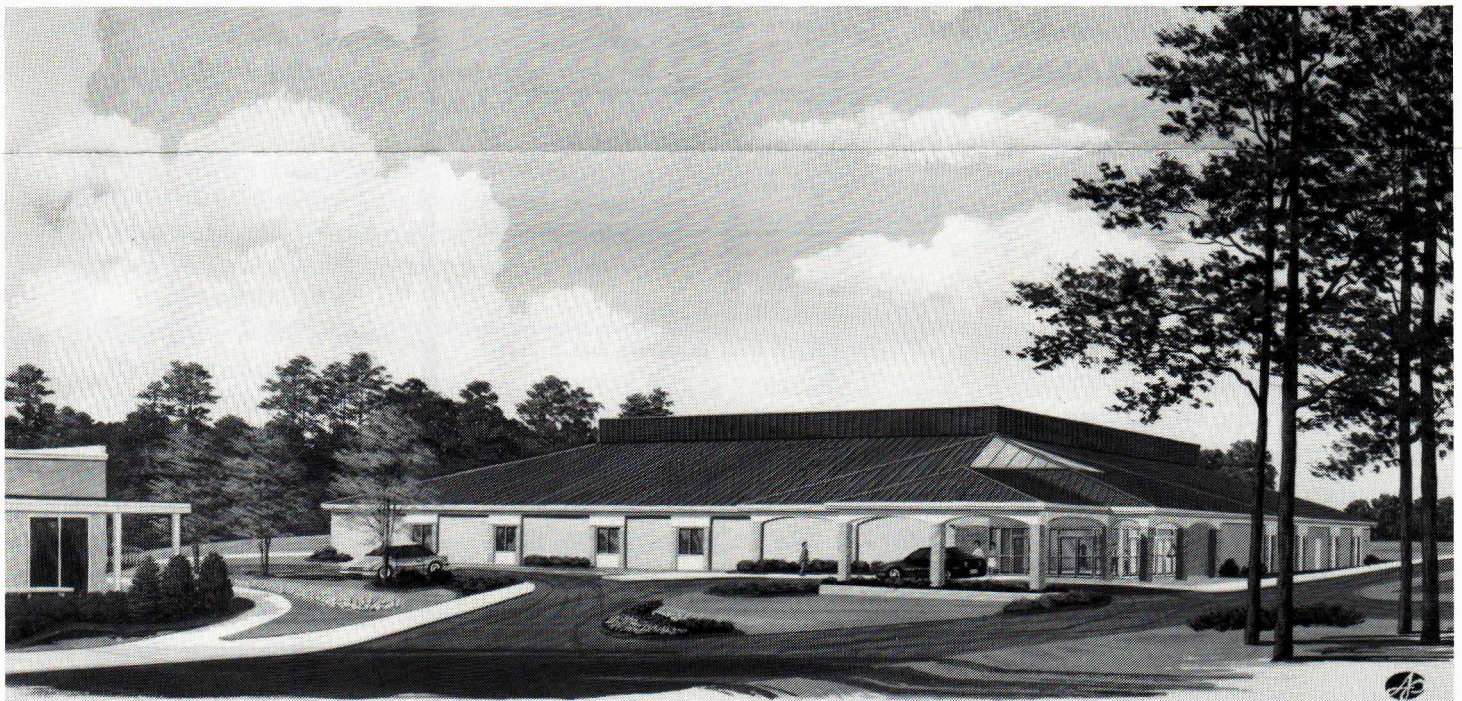

April 23 proved to be one of the most exciting days in the history of Southeastern College. The air was already filled with excitement because of the ongoing Camp Meeting services, but Tuesday night was indeed a special night. Promotional Director Jack Lassiter and Tom Lilly, of Church Planning Consultants, presented a waiting congregation with information concerning a new proposed activities center. This facility has been a dream of many for a long time. Could it be true--a large building containing administration offices, academic area, a large chapel and a gymnasium? Was this just wishful thinking for a small, young Free Will Baptist College? The reality is that this building is not just a dream; it is a real need for our college.

Our enrollment continues to increase and the need for more dorm space is critical. Our plans are to renovate the present academic building and make it another men's dorm thus moving our library to our present administration building. With these two changes, we must have more classroom and office space. The total cost for renovation and new construction is estimated to be \$900,000 with construction beginning in October, 1996, and completion by August of 1997. During our Camp Meeting, we received \$434,000 in pledges toward this project. During our recent annual board meeting, our leadership voted that we have \$600,000 in pledges and \$385,000 in cash before we begin construction.

These are exciting days at Southeastern, but we desperately need your help!

Call us or mail in your pledge today!

Pledges need to be in as soon as possible or by April, 1997.

Southeastern Hires Business Manager and Professor

Joining the staff this fall will be Kentucky native Brent Patrick. Bro. Patrick is a graduate of the University of Kentucky and received his MA in

Business Administration from Moorehouse State.

Bro. Patrick's duties will include teaching in the accounting track of our

business program as well as learning the ropes in our business office to take over as Business Manager by second semester.

Bro. Brent was raised in a FWB home and is a member of Tom's Creek FWB Church in Wittensville, KY. He recently accepted the call to preach and is a licensed preacher.

We are very thankful to have Bro. Brent joining our staff. He is a fine young man and qualified to help us in a much needed area. Welcome aboard, Brent, we're glad to have you as part of the Southeastern team!

DONATIONS NEEDED FOR MISCHA BEVAN MEMORIAL SCHOLARSHIP FUND

This is the time of year when we are raising funds for the *Mischa Bevan Memorial Scholarship Fund*. The scholarships will be presented on September 30 which was Mischa's birthdate. We ask that all contributions be received by September 9.

PERSONNEL CHANGES

After serving seven years as Vice President and Dean of Students, Bro. Danny Dwyer has resigned these positions and will concentrate solely on teaching. A special thanks to Bro. Dwyer for his faithful service.

To replace Bro. Dwyer, the responsibilities are being split between two men. Dr. Bruce Barnes will become the Dean of Students and will oversee all student activities, discipline, etc. Bro. Jack Lassiter will be named Assistant to the President and will help Bro. Bevan with the general daily oversight of the college.

We are excited about the upcoming year. Both of these men are "people" persons and give attention to detail. Using two men to divide the load Bro. Dwyer carried should make for a better situation for the men and our students.

BUSINESS PROGRAM UPDATE

To maintain instruction that prepares students for the "work a day" world, it is imperative that we keep an up-to-date computer lab. However, it is very expensive to update our lab each year or two. We are pleased to announce that this fall we plan to have PC's with Pentium processors at each of our work stations with Windows 95. Our classes will reflect this new "cutting edge" technology. (Con't. on page 4)

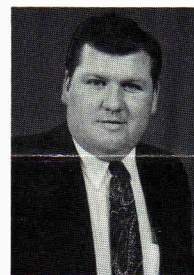

MISSIONS CONFERENCE

October 17-18, 1996

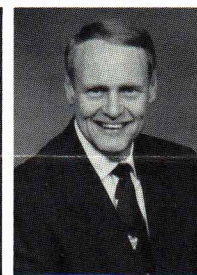

Theme: "No Man Careth for My Soul." Psalm 142:4

Thursday, October 17

8:15-8:45	Prayer Time

Update: Highest Enrollment Since Moving to North Carolina Expected in August

Southeastern has truly been blessed of the Lord by being able to report an increase in enrollment of 20% for two consecutive years and we anticipate a 30% increase this year! It is an exciting time for us as we look forward to the construction of a new activities center and students, students, students! Some of the greatest young people in America walk the halls of our college. Last year we welcomed 62 new students, and we expect 75 new students this fall. The projected enrollment should be 160-165. We give the Lord the praise for what He has done!

If for some reason you have not applied, contact us immediately. Space is filling up fast. We invite you to come and experience what God is doing at Southeastern.

THANKS, FRIENDS!

Thanks to the 52 pastors, staff and laymen who met on the campus of Southeastern Monday, June 10, for the purpose of painting the outside of the dorms and academic building. After a brief morning rain, the weather was beautiful and the men worked from 9 a.m. until 5 p.m. giving all the buildings two coats of paint. This was a wonderful blessing to the college totaling 364 hours of work donated. Representing churches were Faith FWB, Goldsboro, NC; Shady Grove FWB, Durham, NC; Parker's Chapel FWB, Greenville, NC; Cramerton FWB, Cramerton, NC; Hilltop FWB, Fuquay Varina, NC; First FWB, Raleigh, NC; and Canaan FWB, Lancaster, SC. Special thanks to Pastor Dann Patrick and Mr. James Sugg from Faith FWB who were the directors of this project.

Business Program Update Con't: For example, in our "Computer Applications" class, instruction and "hands on" training in Windows 95 will be part of the curriculum. In addition to this, we are pleased to announce that our computer instructor, Mr. Danny Baer, is working on advanced degrees from Nova Southeastern University in Computer Technology in Education. Because of this, he plans to include instruction about the Internet in our "Introduction to Computers" class as well as Internet "home page" design as part of our "Computer Applications" course.
