OUTSTANDING SPRING CONFERENCE TO ATTRACT MANY

Southeastern Free Will Baptist College has planned what we believe will be our greatest Revival and Soul Winning Conference. The conference begins Sunday, April 2 and continues through Wednesday evening, April 5. More than 1000 friends and former students are expected to attend.

The preaching will be by six well-known Free Will Baptist preachers — three full time evangelists, Rev. Van Dale Hudson, Rev. Nate Ange and Rev. Johnny Pike; two denominational leaders and outstanding pastors, Rev. Earl Hendrix and Dr. Randy Cox; and a Bible preacher who is also professor of Greek and theology at Southeastern, Rev. A.B. Brown.

Rev. Hudson is a graduate of Free Will Baptist Bible College and has preached over 600 revivals. He has pastored in Tennessee and North Carolina. Along with his present evangelism outreach, he is director of development at Southeastern.

Brother Ange was the youth director at Gateway FWB Church in Virginia Beach, VA, for nine years and has preached over 200 revivals. He is a graduate of Free Will Baptist Bible College. He has turned more young people toward full-time work than anyone among us in recent years.

Rev. Pike received his college training at Free Will Baptist Bible College and has pastored in Tennessee and North Carolina. He has held over 200 revival meetings and is now in full-time evangelism.

Brother Hendrix is a graduate of Bob Jones University and Piedmont Bible Institute. He has pastored the First FWB Church, Inman, SC, for 22 years. He presently serves as moderator of the South Carolina State Association.

Dr. Cox received his BA degree from Free Will Baptist Bible College and his master's degree from Columbia Bible College. He has successfully pastored the First Church in Raleigh for 15 years. The First Church and RCA Academy are both well known.

Rev. Nate Ange

Rev. A.B. Brown

Dr. Randy Cox

Rev. Earl Hendrix

Rev. Van Dale Hudson

Rev. Johnny Pike

Brother Brown was associate pastor at Gateway FWB Church for several years, has pastored in Missouri and North Carolina and presently serves as academic dean and professor at Southeastern.

This year there will be a giant "pig pickin'" for those who attend the conference Tuesday afternoon on the campus of the college.

The Cooperating Board and Board of Directors will meet on Tuesday afternoon.

The Alumni Association will meet Tuesday for a luncheon meeting.

All the services will be held in the gymnasium of First Free Will Baptist Church, 2110 Trawick Road, Raleigh, NC.

CHRISTMAS CHALLENGE REACHES OVER \$20,000

Each year the students, faculty and staff of Southeastern Free Will Baptist College plan a Christmas project to raise funds for the college. This year the group raised over \$20,000. This was, in part, in response to a challenge from one of our Free Will Baptist laymen to match up to \$50,000 the amount raised by the college.

Two of the students raised in excess of \$2,000 each. Doug Adkins from the Yorkshire Free Will Baptist Church in Manassas, Virginia, raised \$3,900. Rev. Lonnie Salyers is his pastor. Wayne Tarver raised \$2,880. Wayne is from the First Free Will Baptist Church of Scottsmoor, Florida where Rev. Melvin Sanford pastors. For their efforts, Doug was presented \$750 to be applied to his tuition and Wayne received \$500.

For a job well done, the college group will enjoy a steak dinner. This reward was promised the student body if they reached the \$20,000 goal.

In a special chapel service, Dr. Ange and Promotional Director, Bill Fulcher, commended the group for their excellent effort.

A special *thank you* goes to each *individual* and *church* that participated in the project by giving an offering or accepting a checkbook.

SOMETHING OLD, SOMETHING NEW

"Something old, something new" could be used to describe Southeastern's first "interterm." It is old because others have been utilizing the interterm for several years. It is new because this is Southeastern's first venture. Actually, an interterm is simply a two or three hour course compacted into a few days between semesters. It has several distinct advantages.

- 1) Concentration: This is true because both the student and the professor concentrate on only one subject during this period of time since the student can only take one course and the professor only teaches one course.
- 2) Utilization: It is the most efficient use of personnel. The interterm doubles the output or efficiency of the staff. By adding six or seven days to the college calendar, a professor is able to teach two courses instead of one.
- 3) Enhancement: By utilizing the interterm a college is able to offer more courses utilizing the same personnel. Therefore, the student's academic opportunities are greatly enhanced.
- 4) Enablement: Students, as a result of the two or three hours earned during the interterm, will be better able to stay on schedule, especially a working student. It will now be possible for a student to pick up two hours during the interterm, twelve during the regular semester, and two during summer school and pick up the sixteen hours per semester necessary to graduate in four years.

And finally — having just completed our first session, it is a blessing. Every professor and every student that I have spoken with thus far has been excited. It is a change of pace. It offers opportunity to focus on one thing for the entire time. It was refreshing. It was good!

TRINITY TIGERS WIN TIP OFF TOURNAMENT

This year's Southeastern Tip Off Tournament, which was won by the Trinity Tigers from Greenville, North Carolina, proved to be very competitive with some very exciting games. Action included overtime games and games won on last second shots. Trinity defeated Faith Christian from Goldsboro, North Carolina, to capture the championship.

Also competing in this year's tournament was: Ruth's Chapel, New Bern, NC; Cramerton Christian from Cramerton, NC; Raleigh Christian, Raleigh, NC; Hilltop from Fuquay-Varina, NC and two schools from Virginia, Gateway, Virginia Beach and Peninsula from Smithfield.

The all-tournament team selections were led by Kirk Welch as the tournament MVP. Also on the all-tournament team were Gerald Fulton and Kriston Welch of Trinity, Marc Holoman and Phillip Mazingo of Faith, David Johnson from Peninsula, Wayne Speelman from Gateway, Joey Betts of Raleigh, Billy Bevan from Hilltop and Shannon Williams from Cramerton.

The Christian testimony award for this year's tournament was awarded to Gateway.

Many thanks for the recent addition of new side-walks on campus provided by gifts of money and labor from two of Southeastern's friends.

CHURCHES AND INDIVIDUALS RALLY TO SOUTHEASTERN'S NEEDS

In recent days, Parker's Chapel FWB Church, Greenville, NC, Larry Stevens, pastor; First FWB Church, Bedford, VA, William Steele, pastor; Faith FWB Church, Goldsboro, NC, Dann Patrick, pastor; Liberty FWB Church, Durham, NC, Jack Cox, pastor; Cramerton FWB Church, Cramerton, NC, Bob King, pastor; Hilltop FWB Church, Fuquay-Varina, NC, Billy Bevan, pastor, gave large gifts totalling \$41,100.

In addition to the above, a long-time friend and supporter of Southeastern gave a contribution of \$50,000. Another long-time friend contributed \$25,000 for campus improvements.

All of the Southeastern family are grateful to God for these generous gifts for the support of Southeastern Free Will Baptist College. To God be the glory!

VERY SUCCESSFUL COOPERATING BOARD MEETING HELD

Southeastern hosted a special meeting of our Cooperating Board on January 5th. There were fifty-seven present for this very important meeting. This was the first time that the Cooperating Board had met in a special session. The Cooperating Board meets annually during our spring conference each year.

The day began with a delicious meal of North Carolina barbecue, roast beef and all the tasty vegetables, corn sticks, home made biscuits and desserts that we could eat. The men really enjoyed this scrumptious meal prepared by our Food Service Director, Mrs. Stepp.

Several hours were spent together as the president shared the *blessings* and *needs* of our college. Ample time was given for all Cooperating Board members and the Board of Directors to share, ask questions and make suggestions. The areas of blessings and the areas where the College needs to improve were fully discussed.

We, at the College, were glad that the men felt free to share with us their concerns, as well as, their joys and appreciations concerning Southeastern.

It is the aim of the Board and the Administration to make the Cooperating Board a more vital part of the ministry of Southeastern Free Will Baptist College. Many of the pastors left saying that they were going back to their churches and become more vitally involved in the ministry of the college, especially in prayer, sending students and giving much more to meet the heavy financial needs that we have.

Financial information was shared which indicated that in addition to student tuition, room, board and fees, the college needs \$25,213.92 in General Fund gifts per month and \$20,361.73 per month for building payments. Everyone is urged to help meet these needs by being personally involved, getting churches involved through special college days and through special giving.

All in all the meeting was a gigantic success and we will all look forward to the next meeting, Tuesday, April 4, during our spring conference.

LAUNDRY FACILITIES AND SECURITY GATES INSTALLED

On Monday, January 9, three commercial washers and three dryers were installed for use by our campus students. This will save the students from having to leave campus to do their laundry.

Security gates for the college entrance are now being installed. Also, a small guard house will be added. About the time this publication reaches you, this work should be completed.

The installing of these items will further guarantee the security of our students. We want our parents to know that we are doing the utmost to secure the safety of their sons and daughters.

\$25,000 GIFT FOR TENNIS COURT

Recently, a dear friend of Southeastern Free Will Baptist College gave \$25,000 for the construction of a double tennis court. This court will serve adequately for tennis, volleyball and one half of the court for basketball. We praise God for this wonderful gift which, along with our regulation sized ball field, will help to meet the recreational needs of our students.

The contract on the court has been signed and the work will proceed as rapidly as weather will permit.
