## **DR. ANGE RESIGNS PRESIDENCY OF SOUTHEASTERN FREE WILL BAPTIST COLLEGE**

At the annual board meeting of Southeastern Free Will Baptist College on May 8-11, Dr. Joseph G. Ange resigned the presidency of Southeastern Free Will Baptist College to become effective July 31, 1989.

Dr. Ange stated to the Board of Directors that he had fervently prayed and waited upon the Lord for several months before tendering his resignation. Dr. Ange served the college four years as president. He made it clear to the board that he was resigning in order to return to the full-time evangelistic ministry.

During Dr. Ange's tenure, the college was moved from Virginia Beach, Virginia to Wendell, North Carolina. The campus was located on a sixty-one acre choice piece of property. Five new buildings were erected and one building completely renovated for use as an administration building. A double tennis court which also serves as a volleyball/basketball court was built. A full-sized baseball field which will be used for baseball, softball and soccer will be ready for use when the fencing and backstop have been put in place. Attractive entrance gates and campus beautification have been a part of the first phases of campus building. Eight faculty and staff members have been added during those four years as well.

In the resignation statement, Dr. Ange emphasized to the Board that the future of Southeastern was as bright as the promises of God. He also emphasized the need for a younger, but very experienced man to pick up the reins of leadership while at the same time holding to the distinctives that have made Southeastern what it is.

After serving God as pastor of two of our largest Free Will Baptist Churches for a total of twenty-one years, holding over 600 revivals, preaching over 16,000 sermons, doing four years of full-time evangelistic service and four years as president of Southeastern, Dr. Ange has an abiding desire to get back into evangelism where he trusts that God will help him to lead pastors and churches to experience great revival in these troublesome times.

Anyone desiring to get in touch with Dr. Ange may do so by writing or calling him at the following address and phone number: Dr. Joseph G. Ange, PO Box 248, Knightdale, North Carolina 27545 — (919)266-6609.

## RECENT CONFERENCE A GREAT CHALLENGE

The several hundred people attending the spring conference on revival and soul winning were blessed and challenged. This annual meeting was held April 2-5 in the gymnasium of the First Free Will Baptist Church in Raleigh, North Carolina.

The strong Bible preaching by the six speakers was characterized by fervency, diligent preparation, variety of subject matter and a strong challenge to revival and soul winning. Many people said this was one of the best, if not the best conference we had ever had. The speakers were Rev. Nate Ange, Rev. A. B. Brown, Dr. Randy Cox, Rev. Earl Hendrix, Rev. Van Dale Hudson and Rev. Johnny Pike. These men of God certainly delivered their soul.

During the conference we had another library project which helped us to add 350 volumes to the library. Also, the new recording by our college choir went on public sale for the first time.

On Tuesday afternoon a campus-wide open house and pig picking was held from 4:00-6:30 P.M. Everyone seemed to immensely enjoy the tour and the delicious meal of Carolina barbecue and all the trimmings.

All of us are looking to our next conference on revival and soul winning which will be April 1-4, 1990.
