President

WHY SOUTHEASTERN FREE WILL BAPTIST COLLEGE?

Southeastern Free Will Baptist College, as the name implies, is an institution of higher Christian education with the focal point of the training being the Word of God. This means that our students are prepared with a strong, fundamental foundation in Bible and specialized training geared toward Christian service organizations.

The chief value of our college is the exposure one gets to the Word of God. No matter what a person does in life, his Bible studies will be of inestimable value to him.

We are preparing servants of God to be pastors, associate pastors, music ministers, youth directors, evangelism outreach directors, teachers, missionaries, secretaries, accountants and solid laymen.

Theologically, we are fundamentalist and hold to the separatist's position of Christian living.

The academic program emphasizes Christian service and the local church.

Our desire here at Southeastern is to expand the spiritual and academic horizons of our students without compromising values in any way.

Students from twenty-two different states and three foreign countries have attended Southeastern. Students representing fifteen states and one foreign country are presently attending.

If our great nation is to turn back to God in a great measure, it will be because the pulpits of our churches have pastors and other Christian leaders leading a mighty crusade to turn our people and nation back to the Bible and solid Christian values on every level.

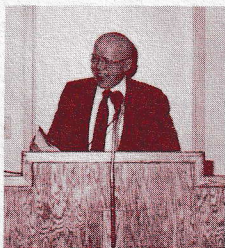

The future, therefore, of Southeastern looks very bright. A significant number of our student body every semester is being trained for the pastorate. Growing numbers of our student body are being trained as Christian school teachers. Many of them will be the youth leaders in our churches. Many will be in charge of the music programs in our churches and will concentrate on using music to stir the hearts and bring about revival.

In a highly computerized age, we will be training those who can effectively work in the market place while at the same time bear a strong Christian testimony.

Hopefully, some of those that we are training now will someday be teaching others here on this campus for the various types of Christian ministries.

The cost of attending Southeastern is very modest compared to other Christian institutions of higher education. The location is excellent, both from the standpoint of Christian service and obtaining jobs for students who must work. We have not had one student who really wanted to work who has not been able to find work in the Greater Triangle Area. As the city of Raleigh moves east, as it now is, the opportunities for work and Christian service will multiply on into the next century.

For a brochure and information telling about the opportunities at Southeastern, write to: Registrar, Southeastern Free Will Baptist College, PO Box 1700, Wendell, NC 27591 or call (919) 365-7711.

Rev. Herman Hersey

CHAPEL PULPIT

"A Blessing to All"

Rev. Dennis Wiggs

The chapel pulpit at Southeastern has had a large number of different speakers during the present semester. The messages have been fervent. There has been an unusual amount of subject matter preached. The messages have been pointed, scriptural and have always seemed to meet many of our needs.

We have used pastors, associate pastors, evangelists, promotional men and our Southeastern faculty as speakers.

Unless the pulpit of a Christian college stays fervent — "red-hot" — it will not be long before that institution becomes cold, then compromising and finally calloused.

We intend to keep the Southeastern campus pulpit on fire for God.

YOUR HELP IS NEEDED, NOW!

November, December and January are traditionally difficult months financially for all Christian institutions. THE FINANCIAL NEEDS OF SOUTHEASTERN HAVE NEVER BEEN GREATER. We need at least \$60,000 extra to get us through these critical months.

CAN WE COUNT ON YOU????

PATTI LEE HOUSE COMPLETED

The eleven room Pattie Lee house on our college property has now been completely renovated with the exception of a few items and landscaping. Everyone says that the contractor and workers did a wonderful job in transforming this beautiful old country home into a very useful Administration Building.

The building houses the administrative offices and some teacher offices, business office, reception office, student post office boxes and in the future the large room will be used for computer training.

We thank God for enabling us to see this project through.

THE DEPARTMENT OF CHRISTIAN SERVICE MOVES FORTH

From the opening of the fall semester through October, students at Southeastern have presented the gospel some 1057 times and prayed with 136 people for salvation according to the records of the Department of Christian Service. Area pastors are enthusiastic in their comments about the faithfulness and concern of our students in church attendance and soul-winning. That is what Southeastern is all about!

It is the priority purpose of the Department of Christian Service to channel each student into a local church ministry where they can both learn and serve. Students presently are involved in church bus ministries, soul-winning visitation, Sunday School, nursing homes, rescue mission, music and youth ministries and other areas as well.

The student witness at Southeastern is a vital part of the college's training. It reflects the practical side of spiritual studies. The "Great Commission" is always the ultimate purpose and function of any Christian ministry.

Please pray for the Department of Christian Service as we seek to motivate and develop further the soul-winning concern of our students.

CHOIR RECORDING TO BE RELEASED

The Music Department of Southeastern College is pleased to announce that in April of 1989 our first college choir recording will be released to the public. The project titled "In the Midst of It All," will feature a mixture of familiar Gospel songs and hymns as well as a few new surprises. Some of the old favorites will include, *Glad Reunion Day*, *On the Battlefield*, *New Name in Glory*, *O, I Want to See Him*, and *Who Is on the Lord's Side*. The newer songs, *Standing on Holy Ground* and *In the Midst of It All* will also be a part of this soul-stirring musical presentation.

Be watching for further information regarding the tape and how you may obtain your copy when it is released.

ENROLLING FOR SECOND SEMESTER

Registration for our second semester at Southeastern Free Will Baptist College begins Tuesday, January 10, 1989, 9:00 A. M. Each year, a number of students begin their college training by enrolling in the spring semester. We believe God has a good number of students He is going to send to us this spring.

Pastors, if you have young people in your church who are seeking the will of God for their lives and have finished their high school training, encourage them to enroll with us in January. If you would like for us to write to them and encourage them, send us their name, address and phone number and we will be happy to do so.

Pray with us for our students and for our enrollment next semester.

MID-ATLANTIC YOUTH CONFERENCE

December 28-30, 1988 are important dates for a great host of young people across America. During these days the first Mid-Atlantic Youth Conference will be held at the First Free Will Baptist Church, Raleigh, North Carolina. Young people will be coming from a number of states to get in on the preaching, singing, fellowship and fun.

It will certainly be a historic event and we at Southeastern want to do our part in making it as successful as possible. Any groups attending the conference are welcomed to stay in our dorms for \$3.50 a night. We will need to know as soon as possible if any are planning to stay with us. Please contact Tim Rabon at the First Church, (919) 872-2215, for reservations in our dorm or further information regarding the conference.

UPCOMING EVENTS

December 1-3	Tip Off Tournament	April 2-5	Evangelism Conference
January 9	Dormitories Open for Spring Semester	April 13-15	Get Acquainted Days
February 6-7	Recruiting Conference	May 11	Graduation

Participate in Our SPRING SEMESTER NIGHT CLASSES

Southeastern will be offering night classes which are designed to be of practical benefit to both the college student and laymen. In order to make the night program more feasible for laymen, the courses will be offered on both the institute and college level.

Classes will meet on Tuesday nights with the following schedule.

6:10 - 7:55	The Christian Family
	Computer Basics
8:00 - 9:45	Revelation
	Biblical Backgrounds

The Christian Family: This is a survey on what the Bible teaches about what constitutes a truly Christian home. It will deal with husband/wife relationships; parent/child relationships and the spiritual nurture of the entire family.

Computer Basics: This course is designed to teach the fundamental principles of computers. There will also be some "hands on" training in actually operating a computer.

Revelation: This study of the final book of the Bible is an analysis of Revelation from a premillennial point of view. The course will also involve a brief survey of the early church's millennial position and the two methods of interpretation which dictate one's eschatology.

Biblical Backgrounds: Analysis of the Old Testament and New Testament background elements of customs, geography, politics, etc. that dictate the setting and message of each text of Scripture.

Those in the institute program will enter at a reduced fee which will be \$45.00 per semester hour instead of the regular college level fee of \$65.00. The academic requirements of the program will also be less strenuous while, at the same time, maintaining a standard which will result in a good learning experience.

BOARD OF DIRECTORS' MEETING

The semi-annual Board of Directors' Meeting will be held November 28-30. It will begin Monday evening at 7:00 P.M. and continue through approximately 5:00 P.M. on Wednesday.

This will be perhaps one of the most important meetings that our board has ever had. All of our Southeastern friends are asked to pray for the meeting.

MUCH APPRECIATED GIFTS RECEIVED!!!!

Recently, three very thoughtful donors have given significant gifts to Southeastern. Two slide projectors for our Promotion Department and general use have been received. In addition to these, some friends of Southeastern have given \$1400 to purchase books for our library.

We praise God for our dear friends who help us to secure equipment and give money to buy books, especially since funds for these items are not included in our budget.

There may be other friends who would give if they only knew what our needs are. Please write for a list of items the college needs and it will be furnished immediately.
