SOUTHEASTERN ENROLLS 142 SECOND YEAR ON NEW CAMPUS

As registration closed in September, Southeastern Free Will Baptist College had enrolled 142 students for its fall semester. This represents an eleven percent increase over the first semester last year.

Dr. Joseph Ange, president, preached during the opening service Monday evening, August 29. A great number of young people responded to the invitation as the appeal was given to rededicate and recommit their lives to Christ and lay their lives on the line for God.

The spirit on the campus, in the classes, chapel services and in dorms has undoubtedly been one of the best ever. There seems to be a greater concern and a deeper dedication for the work of God.

Students come from fifteen states and one foreign country. Their ranks include eighteen seniors, twenty-one juniors, thirty-six sophomores, sixty-four freshmen and three special students. There are forty young men studying for the ministry, forty-two studying in the Teacher Education Department, five preparing for missions, fourteen for music, ten for business and the rest undecided. Forty-seven of our ladies live in the dorm and thirty-seven of our young men.

Expectations are very high for a great and glorious year as God continues to bless and meet our needs.

GREAT CAMPUS REVIVAL

Rev. James Pauley, pastor of First Free Will Baptist Church in Kannapolis, North Carolina, led us in great revival services September 14-16. During these three days, we had six services — three in the mornings and three in the evenings.

In most of these services, the altar response was wonderful. Through prayer and the powerful preaching of God's man, God dealt mightily with all of us. The preaching of Brother Pauley was powerfully Biblical, unusually pointed and very practical. Not one person attended who was not affected by some point in his dynamic sermons. One of the outstanding things about Brother Pauley's preaching was his fervency and his ability to preach about current issues and needs.

All of us here at Southeastern are grateful to our great God for these wonderful days of refreshing, strengthening and challenge from the presence of our Lord.

During the revival and since the meeting, many of our students are giving themselves to prayerful and thoughtful surrender of their lives to specific areas of full time service.

CHRISTIAN SERVICE DIRECTOR APPOINTED

At their annual meeting, the Board of Directors voted to appoint a Director of Christian Service. Rev. Danny Dwyer, who is already head of our Pastoral Theology Department, has been appointed to assume the added responsibility of Director of Christian Service.

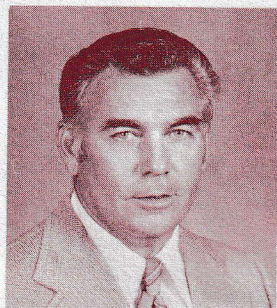

The appointment of Bro. Dwyer to head up the Christian service outreach of our college has already proved to be a wise decision. Our students are enthusiastically fulfilling their Christian service assignments. Thirty-seven individuals have already been saved during the first three weeks of our fall semester. The thrilling thing about these folks getting saved is that a significant number of them have already made public professions in their churches.

Every student at Southeastern is required to do at least one Christian service every week and report on the same. This is not just a "tacked on" addition to our college but a very important part of our students' training.

We look forward to great things happening through our Christian Service Department.

REV. BILL FULCHER JOINS STAFF

The Administration of Southeastern is pleased to announce the addition of Rev. Bill Fulcher to our staff as Director of our Promotional Department. Because of his years of experience as a successful missionary and pastor, he will prove to be a great asset to Southeastern in a number of areas.

After graduating from high school in 1952, he served in the US Army for two years. He enrolled in Free Will Baptist Bible College in the fall of 1955 and graduated in 1959.

His pastorates include the Bethany FWB Church, Winterville, NC and the Bethel FWB Church, South Roxana, Illinois.

In 1960 he was commissioned by the Free Will Baptist Board of Foreign Missions as a missionary to the country of Uruguay (1961-69) and then to Panama, Central America (1971-79).

He served as missionary to the Spanish speaking people of America under the Free Will Baptist National Home Missions Board from 1981-87.

He married Glenda Barks in August, 1957. They have five children.

CAMPUS BEAUTIFICATION

Recently certain areas of our campus have been beautified through the addition of some beautiful trees and shrubbery. A large number of dogwood and crepe myrtle trees have been added from the cafeteria area all the way to the main entrance. Also, we are in the process of mulching and enclosing significant areas of our campus where we have islands and shrubs.

Bro. Marvin Williams, a layman and deacon from the First FWB Church of Raleigh, along with many other on and off-campus volunteers, spearheaded this project.

We express our heartfelt thanks to Bro. Williams and those who helped him with this project.

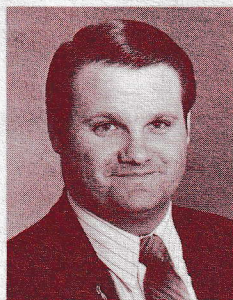

Very soon the entire campus will be reseeded and fertilized as a part of our campus beautification. More shrubbery and trees will be added as funds are available.

FALL MISSIONS CONFERENCE

"A Perishing World" is the theme that has been chosen for our sixth annual missionary conference which will be held November 13-15. We believe that you will be greatly blessed by attending these services that have been planned to challenge all of us to become more involved in world-wide evangelism. We are honored to have four very capable speakers who will speak to our hearts as they develop our theme "a perishing world." Each year we try to invite a missionary minded pastor, a home missionary, a foreign missionary and one of our professors to remind us of our responsibility to reach the whole world with the good news of salvation. Will you join us in prayer for these men; Rev. Phil Ange, Rev. Rick Bowling, Rev. Tim Hackett and Rev. Danny Dwyer, as they minister to our hearts?

Please join us at First Free Will Baptist Church in Raleigh for this conference and be blessed by the great singing and Spirit anointed preaching. Why not bring a van load from your church?

Rev. Phil Ange

Rev. Rick Bowling

Rev. Danny Dwyer

Rev. Tim Hackett

GET ACQUAINTED DAYS

November 17-19, 1988 are the dates set for the fall session of our Get Acquainted Days. Over the past years, these days have proven to be a landmark event in the lives of many of those who attend. Words really cannot express the great importance of getting young people on our campus during these days.

Prospective students will need to arrive November 17, Thursday afternoon, in order to be ready for the 8:00 P.M. program planned and prepared just for them. They will be ready to leave by noon Saturday. But sandwiched in between these events is a lot of love, blessings, testimonies, singing, preaching and some good eating.

Our students are some of the most loving and caring young people I have ever met. They will win your hearts. They look and long for, with great anticipation, these times of "getting acquainted" with new faces. For more information, please write to us today.

ADMINISTRATIVE BUILDING NEARLY COMPLETE

By the time this *Standard* reaches you, we will be moved into the newly renovated and decorated Pattie Lee House (Administrative Building). Full details and pictures of this will be in the next issue.

COMPETITION COMING SOON!

Tip-Off Tournament

The Southeastern Free Will Baptist College Tip-Off Tournament is expected to have exciting competition again this year. The tournament will be held at the Raleigh Christian Academy facilities, Raleigh, North Carolina, December 1-3.

Competing this year will be returning champion Cramerton Christian, Cramerton, North Carolina and runner-up, Faith Christian from Goldsboro, North Carolina.

Also participating will be: Faith from Morristown, Tennessee; Raleigh Christian, Raleigh, North Carolina; Ruth's Chapel, New Bern, North Carolina; Gateway, Virginia Beach, Virginia; Hilltop, Fuquay Varina, North Carolina and Trinity, Greenville, North Carolina.

BUSINESS DEPARTMENT PROGRESSES

The college recently purchased five computers with monitors and three printers to add to our Business Department. This will greatly enhance the training of our students who are seeking an Associate in Arts Degree in Business.

RESPONSE GREAT FOR TOURING SUMMER GROUP

The Southeastern quartet, under the direction of Rev. Randall Sawyer, enjoyed a wonderful and fruitful summer tour during the months of June and July.

The quartet, comprised of Steve Berry (VA), Donnie Burke (NC), Dale Justice (VA) and James Moran (NC), conducted services in fourteen different states and participated in several state meetings and the National Association.

The spirit of revival was felt in many of the services as was evidenced by the more than 200 decisions that were recorded.

The summer tour was also profitable financially as the general offerings more than paid for the expenses of the trip.

The college is grateful for those pastors and churches that opened their doors to the quartet and helped to make the summer such a success.

NEW GAS-FIRED WEEDEATER GIVEN

Recently a business firm in Goldsboro, NC, gave to us a very fine weedeater. We are indeed grateful for this new lawn equipment which will help us to keep our campus in good shape.

We also have many other needs as follows:

1. At least two pianos in good condition
2. A good slide projector for use by our Promotional Department.
3. Books for our library (a list of the books that we need will be given upon request).

DONATION OF FIFTY-SEVEN BOOKS RECEIVED

Just recently a dear lady from the Maccripine Free Will Baptist Church near Wilson, NC gave fifty-seven books to our library. How refreshing this was to all of us here who realize the value of good books and a strong library.

We are indeed very thankful for the thoughtfulness of this Christian woman.

Among our Southeastern Free Will Baptist constituency, there are many others who could do what this dear lady did. Some of you know about entire Christian libraries that you could procure for Southeastern. Others of you could give some books yourself. Many more of you know of many books that are doing nothing more than collecting dust.

Please HELP US TO BUILD UP OUR LIBRARY rapidly with the right kind of books.

BALL FIELD ALMOST COMPLETE

One of the major projects this past summer at Southeastern has been the building of our regulation size softball and baseball field. The field has been built and will soon be ready for use. The field will also double as a soccer field.

In order for the field to be used immediately, it needs leveling in a very few spots and a fence erected. We also need bases for the field and softball bats and balls. Soccer balls and goals are also needed.

We hope that some of you reading this article will feel led to lead your church and or Sunday School class or department to furnish the money to purchase some of these items.

In the meantime, we thank God for this needed addition to our campus.
