THE PRESIDENT'S MESSAGE

One Task

The Lord Jesus Christ gave one task to His followers — to communicate the gospel to every person in the world in every generation (Mark 16:15). Since the primary task of the church is to reach people in all walks of life for Christ, we must have an "army" of faithful servants who know how to get this great job done.

Southeastern Free Will Baptist College is committed to training champions for Christ who want to be effective witnesses, soul winners and church builders for the glory of God. The various structures of Southeastern — Board of Directors, Cooperating Board, faculty, programs of study and local church involvement — are designed to equip mighty soldiers of the cross.

No matter what course of study one pursues at Southeastern, he will be exposed in the classroom, in his Christian service and in his local church to fervent teaching and multiple examples of soul winning. The academic and the practical all combine to produce genuine, warm hearted, fervent and well trained witnesses for Jesus Christ.

Administration, faculty and students — everyone here at Southeastern — are expected to go soul winning every week. No one is exempt. All of us were born to reproduce. The fruit of a Christian is another Christian. Since soul winning is a command and not a gift, we are training our students to be wise as the Scriptures admonish us to be. "... He that winneth souls is wise (Proverbs 11:30b). "And they that be wise shall shine . . . and they that turn many to righteousness as the stars for ever and ever (Daniel 12:3).

If you are interested in your son or daughter being trained to be a wise, witnessing, soul winning, champion for Christ, please consider Southeastern for their college training. Our admissions office will be glad to send further information upon request. Young people are urged to call or write for information. We have summer school, correspondence school and young people are already enrolling for the fall semester. Your inquiry will be welcome. Please let us hear from you.

72 ATTEND SOUTHEASTERN'S FALL GET ACQUAINTED DAYS

There were 62 prospective students and ten sponsors on the campus of Southeastern Free Will Baptist College to attend our fall "Get Acquainted Days", November 21-23. Our visitors got a chance to see first hand what it is like to live on the campus and attend classes at a Christian college.

Plan to bring your young people for our spring "Get Acquainted Days", April 10-12, 1986. An experience such as this could be the determining factor as to whether or not a teenager lives for God.
