Looking Up!!

Have you ever asked someone how things were going and their response to you was, "Things are looking up!"

As the new year of 1994 dawns at 532 Eagle Rock Road, I am excited to announce that "things are looking up" at Southeastern.

After several years of laboring and praying for some financial relief, a source has come forward with a solid, legitimate offer of a long term loan that would drastically change our financial situation. Please pray for us and this matter. We are feverishly working on the details and legalities that are involved in any situation such as this. We should have all the details worked out in a few weeks!

Secondly, I am happy to announce that Rev. Jack Lassiter and his wife, Alane, have been hired by the college to be in charge of the Promotional Department. Bro. Jack will be responsible for promot-

ing the ministry of Southeastern, raising funds, and recruiting students. Alane will work as secretary of the department. We especially thank the good people of High Point FWB Church in Lancaster, SC, for their willingness to make this concession on behalf of the college. Bro. Jack has had a desire to be involved in this type ministry for several years. We believe we are in God's timing and are very excited about the future. I ask each of you to make Bro. Jack and Alane feel welcome as members of the Southeastern team. He will be contacting you in a few days!

Secondly, I am happy to announce the appointment of

church in Gastonia, NC, I am sure there are those who have wondered about the music program. Have no fears! I can assure you that Bro. Rhodes is very qualified and capable. With Mrs. Siebert and Mr. Skiles, along with the addition of Bro. Rhodes, our music department will be as strong as ever. We believe being able to secure Bro. Rhodes is also a God-send. He is a very impressive and conscientious young man. We are proud to announce his addition to our staff.

I am sure you understand my optimism! Things are "looking up" for Southeastern. To God be the glory! It is really hard for me to contain myself as I write these words. We have been "left for dead" so many times, because we have struggled to survive. But I can honestly say the prospects for the future look as bright for Southeastern now as they ever have! We surely do serve a wonderful God!

I encourage you to keep "looking up" in this year of 1994. Even in the midst of all our planning, we must be reminded that this could be the year Jesus comes. May each of us be found at our posts of duty faithfully fulfilling what God has left us here to do. May we "occupy till He comes." But until then..."things are looking up!"

Jeff and Linda Pope graduated from Southeastern Free Will Baptist College in 1988 with BS degrees in elementary education. Both were hired to start the 1988-89 school year at Emmanuel Christian School, a ministry of Emmanuel FWB Church in Wabash, IN. They both hold American Association of Christian Schools teaching certificates. Faithfulness for six years to Emmanuel speaks highly of their character.

Jeff is serving as junior high teacher, high school history teacher, Children's Minister in the church, and song leader. Linda serves as 5/6 grade teacher, junior high health and physical education teacher, and helper in the children's church.

Jeff and Linda had their first child, Eric Ray Pope, on July 7, 1993.

IT'S TIME TO TURN IT AROUND

It's time to turn it around! Across the country and in our Free Will Baptist movement there is a decline in enrollment in Christian colleges. That must be reversed if there is to be any progress made in evangelism and the restraint of paganism in America. The needs and opportunities are greater today than ever before. Training for service is available.

We want to challenge young people to give their lives in the greatest career opportunity possible—the Lord's work. This begins with a fresh surrender to do the will of God. Then...come to Get Acquainted Days, April 7-9, with an open and honest heart. We believe there are many who should respond to the call of God for service today. A call to service is also a call to preparation. And, besides, you'll have a great time in coming. See you then!!
