Conference
April 18-20**

Let's Have a Family Reunion

When it comes to counting our blessings in this life, nothing is more precious to us than our families! Don't you just enjoy those times when Mom, Dad, sisters, and brothers can get together! Those of us who have long since left the nest look forward to holidays such as Thanksgiving, Christmas, July 4, etc., when we can get together with the family. Those are special times!

We here at Southeastern would love to see our annual spring conference become a "reunion time." There's not a one of us that couldn't use a couple of days off. What a good way for former students, graduates, pastors, teenagers, and lay people to spend a couple of days by attending the spring Revival and Soul Winning Conference.

For years some of you have told us "we're with you and believe in what you're doing." Why not come to see us this year? None of us are so busy that we can't lay things down for a day or two. In fact, it may help us. Even our Lord told his disciples in Mark 6:31: "...Come ye yourselves apart...and rest a while..." Someone said, "If you don't come apart to rest--you may come apart!" Why not adopt McDonald's slogan this year and "give yourself a break--you deserve it." I am convinced it can help you. It can be a real time of refreshing and encouragement for you, and I promise it will do much to excite us.

We will have Free Will Baptist preachers that will challenge and inspire you. If you are a layman, why not recommend to the other men of your church that you send your pastor, if you don't already do so! If you are one of our graduates working in a full-time capacity, why not ask the "boss" for at least one day off to attend the conference.

We have a lot of exciting things happening and a great conference planned. I trust you will do your best to be with us this year. It will take some effort, but it sure would mean a lot to us.

The dates are April 18-20, 1994. Our speakers will be: Dr. Joe Ange, Rev. Roy Thomas, Rev. Tom Lilly, Rev. Jim Summerson, Rev. Jerry Johnson, Dr. Lorenza Stox, and Rev. Tim Young. Our first service begins Monday morning at 9:30 with Rev. Jim Summerson, followed by Rev. Roy Thomas at 11:15.

Make your plans now to get in on the "family reunion." We're going to be looking for you to come.

Library Books

Donated... Others Needed

Special thanks to Dr. Johnny Sexton of Wendell, NC, who recently donated 300 books to the college library.

Academic Dean A. B. Brown encourages others to follow Dr. Sexton's example.

Rev. & Mrs. Todd Haynes were 1989 graduates of Southeastern. Todd graduated with a BA in Bible and Wendy with a BS in Teacher Education.

Todd and Wendy are presently serving at the Cramerton FWB Church and Academy, Cramerton, NC.

Todd is the Associate Pastor, directs the bus and youth ministry, and coaches high school and junior high basketball. Wendy teaches second grade in the academy, sings in the church choir, and teaches a 5 year old Sunday School class.

They have one son, Christopher Todd, and are looking forward to the arrival of their second child in March.

Rev. Terry Miller, who graduated in 1987 with a Bachelor of Biblical Studies degree has pastored the Foundation FWB Church in East Greenwich, Rhode Island, for over three years.

Following graduation from Southeastern, he served as youth director helping Rev. Pete Minor, home missionary to Rhode Island. Terry worked in maintenance at Southeastern in '89 and assisted at Landmark Church in Cary. In September of 1990, Terry and his wife, Tammy, moved back to Rhode Island under the National Association of FWB Home Missions Board. They have had a high day of 34 and had averaged 24 until 8 people moved out of town in one month. Terry and Tammy have three boys, Joshua, Jonathan, and Brian.

Choir Reunion....Remember those long afternoons at choir practice and the many unforgettable choir tours? Well, now is your chance to reunite with the ones who made those years so special. Everyone who has participated in Southeastern's college choir during the last nine years is invited to come and be a part of the service on Tuesday night during the conference. We will sing together just like old times. This is Mr. Sawyer's last year as choir director at Southeastern and we wanted to do something special in honor of his dedication to the music program. Join us!

New Promotional Director Says, "We're Excited at Southeastern"

Choir tour, Get Acquainted Days, Revival & Soul Winning Conference....it's a busy time here at the college and I am thrilled to be a part of what God is doing in the lives of these young people and the life of our denomination.

As I have been traveling the past few weeks, I have been sharing the things we need at Southeastern. There are five areas of need which I will share with you:

1) We need students. Young people can come here and be taught by people dedicated to the cause of Christ. A mate for life can be found and the will of the Lord made plain. I encourage you to consider Southeastern.

2) We need friends. We're here to serve you! Come by for a visit or let us know how we can be a blessing to you and your church.

3) We need finances. A great missionary said, "We do not have a money problem but rather a commitment problem." We are here for you, we need you to be there financially for us. A gift to this college is an investment in the right direction.

4) We need your prayers. Job 42:10 says that Job prayed for his friends. We pray daily for revival in America. I trust you will pray for the future and ministry of Southeastern.

5) We need the touch of God. If the dorms were full and all the bills paid but there was no anointing, it would all be in vain.

The Lord is doing great things! I can't hardly wait to see what will happen next. Visit us, pray for us, and help us because we want to be here a long time ministering to you.

Special Thanks!!

Alumni To Meet

All alumni are invited to the Alumni Association Luncheon which will be held at the Golden Corral located on Millbrook Road in Raleigh on Monday, April 18, immediately following the morning service of the Revival and Soul Winning Conference. This is a wonderful opportunity to fellowship with old friends while enjoying a good meal.

At this time, 71% of the pledged money for the water fountain project has been received. If you need to send your pledge, please mail it to the college marked "water fountain project." It would be great to have the water fountain installed by conference time.

Also, I would like to remind everyone of the dues for the Alumni Association: Individuals-\$7.00 and Couples-\$10.00. Please mail your dues to the college to my attention.
