

The Southeastern Standard

"I will . . . set up my standard to the people." Isaiah 49:22

THE SOUTHEASTERN STANDARD

In Biblical history a "standard" was used as a rallying point which drew people together for some common action or for the communication of some important information. It came to be associated primarily with military battles and conquests. The word itself, which comes from the term "to take a stand," has various meanings in different contexts. We believe that the term "standard" best describes our distinctive emphasis here at Southeastern. Three aspects of the word bear out several elements of our ministry here. A standard is 1) an ensign that called the people to battle; 2) a mark of excellence by which achievement was measured; and 3) an expression or example of holy conduct.

Our work and ministry at Southeastern is that of being a "standard" in the equipping and molding of young lives for service in the kingdom of Christ. In connection with the usage of the term, we are seeking to a) train young men and women for the spiritual battles they will face, b) equip them with a superior academic and practical education and c) fashion lives into the image and character of Jesus Christ, exhibiting personal holiness and true spirituality in every area of life. In the following issues of **The Southeastern Standard**, we will expand these three areas of our ministry.

Editor's Note: Southeastern Free Will Baptist College has changed the name of its publication to **The Southeastern Standard**. When the **Update** was chosen as the official name for our publication, we were not aware that another Christian college had a publication by that name.

GET ACQUAINTED DAYS A SUCCESS

Southeastern's "Get Acquainted Days", March 28-31, attracted 97 prospective students (45 boys and 52 girls) and 20 sponsors. The highlight of the weekend for many was arriving Saturday morning for a delicious breakfast and then going on visitation with over 400 gathering to visit.

Southeastern will be sponsoring two weekends during the 1985-86 school year to allow students to visit our campus for "Get Acquainted Days". These dates are November 21-24, 1985 and April 17-20, 1986. Please write for further information.

A MILESTONE IN HISTORY

Steven Webb, Sandy Bozeman, Michael Sager

On May 9, 1985, at 10:00 a.m. a milestone was reached in the history of Free Will Baptists. Over 300 folks viewed the first graduation of Southeastern Free Will Baptist College.

There was much excitement in the air as the college ensemble and trio sang and testimonies were shared by each graduate. Pastor James Pauley, our commencement speaker, preached a tremendous message concerning our responsibility as it relates to the future.

After the message, President H. Randolph Cox conferred upon our three graduates the Bachelor of Arts in Bible and Pastoral Training.

The first graduating class of Southeastern consisted of Sandy Bozeman and Steven Webb, both from Guin, Alabama, and Michael Sager from Clarksville, Tennessee. Please pray for them as they seek to do the perfect will of God for their lives.

CONFERENCE REFLECTIONS

Attendance at our conference on Revival and Soul Winning this year reached a high of over 700 with an overall average of 553 per service.

It was evident from the outset that God's presence was real. The testimonies and special music were such a blessing, but the highlight of each service was the anointed preaching of God's men.

Next year's conference will be March 30-April 2 with Dr. Jack Hyles as one of our featured speakers.
