SOUTHEASTERN FINISHES GREAT YEAR GRADUATION 1986

The grand climax of our 1985-86 academic year at Southeastern came on May 15, when twelve graduates ascended the stage to receive their degrees. It was an exciting day packed with many thrilling moments. The college choir and trio sang beautifully. Their selections and manner of singing will be long remembered.

Thad Boyd received the Most Outstanding Student Award. Donna Burden Thomas graduated with the highest academic honors, Magna Cum Laude. Rev. Lonnie Skiles preached a powerful and moving message to the graduates and the great commencement attendance.

It was the magnificent fruition of only a dream and \$1,000 four years ago. And, now, the future looks as bright as the promises of God.

GET ACQUAINTED DAYS

Some of the most exciting days at Southeastern each semester are our Get Acquainted Days. The days of April were packed with visiting classes, fun times, presenting Southeastern's programs of study, chapel and many other exciting things.

All of us rejoiced to see, mingle with, and get to know 94 teens and sponsors from several states who came to visit Southeastern. We were glad that we could get acquainted with these fine people. Now we hope that many of the prospective students will become students at Southeastern.

FOUR SUMMER GROUPS TOURING FOURTEEN STATES

From Virginia to Kansas and from Indiana to Florida, four fine groups representing Southeastern Free Will Baptist College will be going out for our Lord. The men's quartet, the young ladies' trio, a preaching group and the Dwyer family will be singing, preaching, testifying and winning souls in many places. They will visit a great number of churches. Christian Schools, youth rallies, youth retreats and youth camps will constitute a large place in their itinerates.

The quartet will be led by Rev. Randy Sawyer, head of our Music Department. The trio will be accompanied by Mr. Steve Webb, a 1985 graduate and husband of Karen, one of the trio members. The "preacher boys"

bright as the promises of God.

FUNDS FOR STUDENT LOANS MADE AVAILABLE

Recently a fine couple from Tennessee made available \$25,000 for student loans to Southeastern Free Will Baptist College students. This was a great answer to prayer and will be used to help many worthy students get an excellent college education with loans at interest that they can afford.

We are indeed grateful to the splendid couple who are making these funds available.

will be led by Rev. Raymond Coffey, head of our Department of Bible. Rev. Danny Dwyer, head of our Pastoral Theology Department, and his family will tour middle Tennessee and some other nearby areas.

Please pray for these groups and other college personnel as we minister to the people and for our wonderful Lord in the many states where we will go this summer.

THE BIG SOUTHEASTERN BANQUET AT TULSA

One of the highlights of the 1985 National Association was our thrilling Southeastern banquet. We are expecting another great crowd to attend Southeastern's banquet in 1986 in Tulsa. Plans are all in order for a great banquet. Don't miss it. Last year we had more than 500 to attend. Help us make it even greater this year. See you in Tulsa.

EVANGELISM CONFERENCE *A Great Success*

The fourth annual Conference on Evangelism, sponsored by Southeastern Free Will Baptist College, was held this year March 30-April 2 in the facilities of Gateway Free Will Baptist Church. It was the largest attended of the conferences so far, as people came from many states to hear powerful preaching and great Christian music. Dr. Jack Hyles was the guest speaker who challenged and encouraged everyone about the need to be better soul winners.

The Cooperating Board of Southeastern met during the conference to hear reports on the progress of the college from Dr. Joe Ange, the president. While in session, they adopted a new budget of \$711,351.78 for the next school year and elected additional board members.

The conference represents the heartbeat of Southeastern College as well as presents a time of challenge and spiritual refreshing.

Next year's program is being planned to help folks seek God's face for revival and soul winning in our churches. Make plans now to attend.

INTERNS IN MANY PLACES THIS SUMMER

At least ten young men are serving this summer as interns in various churches and under the direction of those pastors.

They are interning in eight states. Some of these students will receive college credit for this work by doing prescribed college requirements.

Pray for these interns, the sponsoring churches and pastors that many souls may be won and the churches and pastors may be greatly blessed by these young preachers.

THE JERRY JOHNSTON CRUSADE

During the week of March 16-21, 1986, Gateway FWB Church and Southeastern FWB College were involved in what was the most intensive week of evangelism that has ever been experienced in contemporary Free Will Baptist history. Evangelist Jerry Johnston of Kansas City, Missouri, was with the Gateway Church for an Evangelistic Crusade which featured a three-pronged emphasis: 1) Revival in the local church; 2) Life Assemblies in the area High Schools; and 3) Crusade Rally on Friday night.

It was a week never to be forgotten by Southeastern College students and staff. Every individual was directly involved in the Crusade in one form or another. Students, themselves, surrendered their lives to the will of God as sin was confessed and reconciliation was made with Christ and others. Each day, students accompanied Jerry Johnston to the local High Schools where they saw students in these public schools give rapt attention to Jerry's lecture on teenage suicide. The vision of many Southeastern students was enlarged as they saw the hunger in the hearts, the emptiness in the face and the response of thousands of teenagers to Jerry's message. During the preaching each night at Gateway, Southeastern students saw over 80 people come forward for salvation as they responded to the invitation to receive Christ Jesus as Lord and Saviour.

The climax to the week was Friday night when the services moved to the Green Run High School Gymnasium for a Crusade Rally where Jerry Johnston spoke on the subject "Why Suicide?" Teenagers from the public schools had been invited all week during the Life Assemblies in which Jerry spoke. Every student at Southeastern served as a soul winning counselor for that rally. Over 4200 people, the overwhelming majority of them being public school teenagers, crowded into the gymnasium to hear Jerry Johnston speak.

At the conclusion of the service, when the invitation was given, over 350 people came forward to receive Christ for salvation. Students and counselors dealt with two and three people simultaneously. The impact upon the college students was tremendous. They saw and experienced some things that they had never before known. Many later testified to decisions they had made and to what God had done in their hearts as a result of being a vital part of the Crusade.

The Crusade is just one example of the benefits Southeastern students experienced as a result of being a part of a soul winning church and college. We, at Southeastern, are grateful for such an opportunity that is afforded each student.
