CATCH THE SPIRIT

Dr. Joseph Ange, President of Southeastern, says, **"Catch the spirit** — of the happiest faculty, staff and student body to be found anywhere — of the revival spirit that pre-

vails in the offices, the classrooms, the chapel services and the soul winning Christian services — of the burden of reaching a lost world in every phase of Southeastern college life, the dedicated teaching of God's word and related subjects, the fervent preaching from the college pulpit, the personal example of all who labor and study here — of the optimism for an ever-expanding, growing and glowing center of training of genuine soldiers of the cross — of commitment to the training of a force to reach the lost, at home and around the world until the return of Christ — of students who have a real purpose in living and serving, students who have sacrificed and who are willing to sacrifice to reach worthy goals for the glory of God — of administration, faculty and staff going beyond the realm of that which is expected to communicate the truth and meet needs. See genuine love prevail in an atmosphere of high academics, tempered with Godly discipline — of a happy, dedicated, forward-looking college family who has faith and dedication for today and lofty dreams and bright hopes for the future.

Come **"Catch the Spirit."** It is contagious **but** it is wonderful.

ECHOES FROM OUR FOURTH ANNUAL MISSIONS CONFERENCE

Speak Lord, thy servant heareth, was the theme that was chosen for our Missionary Conference this year. From the very first speaker on Sunday evening, it was evident that God was speaking to His children! There was a 'holy hush' over the congregation and each speaker had the undivided attention of the students, faculty and visitors. One could sense that **this** conference had been truly bathed in prayer to the Almighty. Our speakers, Gerard Tynevez, Raymond Coffey, Richard Cordell and Mickey Kirkland, definitely came to us with the anointing of God upon their lives. Not only was it evident that God was speaking, but it was obvious that we were listening with the ears of our souls.

For the first time in many, many years, I saw a whole congregation sobbing uncontrollably under the power of the Holy Spirit. His presence was so precious! Many of our students answered the 'call' when they heard God speak through His servants. Some will be going to the nations of the world and others will be going to the cities here in our own homeland.

The following words and phrases describe the reaction of those who were privileged to attend: "The greatest conference I was ever in and I have been in over **fifty** such conferences" . . . "Great, fantastic, wonderful, awesome" . . . "This was the first real outpouring of the Holy Spirit that I have ever seen and I have never felt the presence of God so great!" Our own beloved French pastor, Gerard

Tynevez, said to me that this conference has made a great spiritual impact in his own personal life. He also said, "There is hope in getting soul winning missionaries on the field now!"

The list could go on but just let me say that God spoke mightily and we heard with "obedient ears" from the Word of God.

Thank you for praying for the conference and mark the dates now, November 10-13th, next year's conference dates. Pray much and start making your plans to be with us.

Above all . . . obey the Lord . . . **"Speak Lord, thy servant heareth."**

Joe R. Haas, Sr.

ATTENDANCE AT MISSION CONFERENCE BEST EVER

The attendance at this year's Mission Conference was the best it has ever been. More visitors traveling in and more participation from our local churches contributed greatly to the great attendance.

Day services averaged between 200-250 while the night services climbed to nearly 400. The overall average attendance was between 250-300. We praise the Lord for the great attendance and for the moving of the Holy Spirit.

We pray that the results of this conference will be felt around the world for many years to come as many of our students prepare to take the message of salvation to the "whole" world.

CONFERENCE ON EVANGELISM AND SOUL WINNING APRIL 5-8, 1987

During the week of April 5-8, 1987, Southeastern Free Will Baptist College will host the 5th annual conference on Evangelism and Soul Winning in Virginia Beach. Marked by great preaching in past years, the conference places a strong emphasis on revival and soul winning. Special music, a fervent spirit and warm fellowship have characterized these meetings each year.

The men who will be delivering the messages for this conference include Dr. Wally Beebe, Rev. Jack Cox, Rev. Billy Bevan, Rev. Bob King and Rev. Randy Sawyer. Dr. Beebe, known as 'Mr. Bus' across America, is currently involved in an international evangelistic ministry. He led the bus ministry at the First Baptist Church in Hammond, Indiana to be the largest in the nation during his ministry there. In addition to speaking, he will deliver his famous bus ministry lecture on Tuesday afternoon of the conference. A trio of North Carolina pastors, Bro. King, Bro. Bevan and Bro. Cox, will be preaching. Each pastor has led their church in an aggressive soul winning ministry and in building a strong Christian School program. Bro. Sawyer, having previously pastored in North Carolina, now serves as Chairman of the Music Department at Southeastern and preaches for the college as a representative of the Promotional Department.

Further information will be forthcoming in the January issue of the **STANDARD**.

Here are a few testimonies from students concerning the Missions Conference:

"Through this conference, I have realized what my purpose for being here really is. I'm not here just to get a degree, but to learn to know God and commit my life to Him and go, not just be willing, but go where He wants me to go. I have surrendered **all** to Him and 'Wherever He Leads, I'll Go'."

Michelle R. Hall
Reidsville, NC

"The student body as a whole has prayed for revival for many months. Many of us didn't really know what to look for, as we had never seen an actual revival. But God has seen fit to answer our prayers, open heaven's door and give us a glimpse of His Glory."

Laura Weatherford
Florence, SC

"I'm not sure where God wants me to serve Him — but I am willing to go. It may be a rough road ahead, but I know God will be there with me to help each day. He's never failed me and never will. I thank God for what this conference did to my heart and the revival that came to me."
